2024 NORTHERN REGIONAL YOUTH CAMPMEETING IN SENGA HILL

The camp meeting started on Sunday 18th August 2024 and ended on Wednesday 21st August, 2024. It took place at Senga Hill AFC District's main church. Many youths in the region attended the meeting including youths from Kasama, Mpulungu, Mbala, Senga Hill and Kaputa districts from the Northern Province, and Chinsali, Nakonde and Siwang'andu districts from Muchinga Province. The Provincial Overseer for Northern Province Rev. Joseph Twenda, Rev. Fred Chulu, other Pastors and Ministers, and elderly people also attended the meeting. The people were also invited to the meeting through Isunga radio station in Senga Hill and we had people who attended as a result of that.

The programs for the meeting included Sunday school, Devotional Service from the morning and Evangelistic Service in the evening on Sunday the opening day of the meeting. From Monday to Wednesday, in the mornings we had Bible Teachings, in the afternoons we had a Marriage Seminar- Praying through to a marriage Partner and Children’s Service, and in the evenings we had Evangelistic services. The theme of the meeting was “Honey Out Of The Rock”. Right from the opening day, the Spirit of God descended mightily and many souls were blessed.

On Wednesday evening we had the youth concert in which many youths from across the region participated and sung enthusiastically expressing their joy in the heart. The Spirit of God descended mightily and many souls were blessed and revived.

The highest attendance was 458 people and the following blessings were recorded:

- Saved 33
- Sanctified 23
- Baptized with the Holy Ghost and fire 9
- Re- anointed 15
- Divinely healed 14

Indeed many souls partook of the 'honey out of the Rock' called Jesus. As a result of the presence of the Holy Spirit, many souls were convicted to repent and get saved, receive deeper experiences and re-consecrate their lives to the Lord. Those who came sick testified of being divinely healed. Though the meeting lasted only for four days, many souls were blessed with the joy of the Lord beaming on their faces.

On Thursday morning before departure, we had the youth meeting facilitated by the youth leaders in the region. A number of issues were discussed including, Entrepreneurship, Evangelism, Church projects, fund raising for the next youth rally and other issues concerning the youths.

We thank God for the prayer support rendered for the first Northern regional youth rally by our leaders and other saints of God. We also thank God for decentralizing the youth camp meeting in the Northern Region through our leaders as many youths in the region for a long time have

not been attending the national camp meeting in Lusaka due to high transport costs as a result of long distant.

When the meeting ended, many of the youths and other campers departed from Senga Hill to Kasama to attend the Provincial Camp Meeting for Northern Province which started on the following Sunday. We give God the glory for the many blessings He showered during the Northern Region Youth Rally.
