THE LIGHT of THE WORLD

Our Malawi camp meeting came prior to three days of revival in Shire, and just after Shire we proceeded to the Eastern Region in Mangochi town where three branches were established. God showed up in Mangochi by miraculously healing a bed-ridden woman instantly. That happening attracted many to attend the revival services. God mightily blessed the altars. We concluded our missionary trip by three days of revival in the central region in Dedza town.

The theme of the 2024 camp meeting was “Be Ye Therefore Ready Also.” The opening service was titled “Readiness” with Scripture taken from Luke 12:35-40 and Matthew 25:1-13. The first Scripture includes, “Be ye therefore also ready: for the Son of man cometh at an hour when ye think not.” The second Scripture is the Parable of the Ten Virgins. The message steered our hearts to check ourselves and ensure we are ready as the Bible instructs. For we don't know which day or hour Jesus will return for His Church.

The following teachings were taken: "To Be Born Again," "Sanctification," "Baptism of the Holy Ghost & Fire," "Tithes and Free Offerings: God's Financial Plan," and finally, "The Second Coming of Christ."

We had revival services every evening in which the following subjects were covered: "Divine Healing," "Cleanness," "Faith Provokes Miracles," "Jesus and True Worshipers."

We had youth service in the afternoon, The subject of the children service was “A Blessing or Cursing.” The children were encouraged to obey the Word of God to receive blessings.

We had a water baptism service where 32 were baptized in the pond erected in the camp ground. This was followed with the Lord's Supper service and then a joyous service of washing feet. The joy of the Lord was a proof of camp meeting blessings upon the church. There was so much joy and a celebration spirit in the air. In the evening we were treated to a music night, where various groups sang wonderful inspiring songs. The most touching group where the children choir who sang "I want to March to Heaven one day," and "I am going to Heaven, how about you?" It was indeed a wonderful night.

The highest attendance was 176 and the following blessings were recorded through testimonies.

- 17 - Born again
- 10 - Sanctified
- 20 - Baptized with the Holy Ghost and fire
- 31 - Healed from various sicknesses and re-anointed

Indeed the spirit of readiness gripped the church. There was fervent spirit in each altar session. The presence of the Spirit of the Lord was overwhelming and hence the Lord touched many hearts. The joy of the Lord was beaming in every face.

On Sunday we had Sunday school lesson, with a combined Chewa class for junior and adults, an English class and primary class. Our final service, was entitled "Start to Finish" taking our Scripture from 2 Chronicles 29:1-5 and 2 Chronicles 31:20-21. We were encouraged to start well and ensure we finish well serving God as it was with Hezekiah and other great names like Joseph and Samuel, whose records are clean. We had divine fire on the altar of prayer.

We thank God for all support rendered for the camp meeting and construction of the ablution block, though not yet polished but served its purpose during the camp meeting. The church in Malawi is very grateful.

After lunch, All campers started packing to depart for all directions. We have since received reports of safe journeys. Glory be to God.

Yours

In his service
