

APOSTOLIC FAITH CHURCH OF PORTLAND OREGON, PAKISTAN

I am truly blessed to share the report on Apostolic Faith Church Pakistan's ministry efforts. This detailed account highlights the significant progress in nurturing the Body of Christ from March to May 2024. It brings me great joy to share these updates with you, and I invite us all to rejoice together and praise the remarkable work the Lord is doing in Pakistan.

MARCH

In March, we experienced abundant blessings as we held services and guided many to acknowledge their sins, confess them, repent, and receive the incredible gift of salvation through faith in Jesus Christ's sacrifice. In March, we rejoice that 11 individuals received salvation. As we celebrated the resurrection of Jesus Christ, our focus was on preaching repentance from sin and seeking the Lord's grace and mercy for salvation.

Home Gatherings

In March, we initiated home gatherings for worship, prayer, and the sharing of gospel messages, convening bi-weekly. Additionally, I conduct weekly prayer visits to church families, which has significantly contributed in the consolidation of our church community. In this gatherings we pray for sick people and those who need prayers.

Monthly Meeting

We hold monthly meetings with our church workers to encourage them in their service to God and the Church. During these gatherings, we provide instructions and guidance, and we also share gospel messages to strengthen their spiritual lives.

Special Revival meeting in Faisalabad

The meeting started at 5:00 PM amidst challenges from adverse weather and power outages, but God demonstrated His power. 443 saints from across Faisalabad attended, including brick kiln workers and the poor whom we provided free transportation for. The worship was powerful, with people of all ages participating eagerly. Brother Paul began with prayer, followed by a song led by Brother Zaigham.

Sister Sumbal led us in prayer before Brother Felix delivered a sermon on repentance and salvation from Isaiah 53:6, supported by scriptures like Hosea 6:1, Romans 3:23-26, and 1 John 3:1-3, 8-9. Many were moved by the Holy Spirit, kneeling in prayer, and Brother Felix and I prayed for people seeking healing from different alignments. After the service, Sister Marjorie greeted and prayed with everyone.

Testimonies were shared: Brother Saleem testified of being saved from smoking, Sister Naila's husband turned from black magic to church volunteering, and Sister Jamila found strength in prayer. 11 received healing, and 8 found salvation. \$48 was donated towards church land extension. We thank God for this opportunity to gather, praise Jesus, and receive blessings.
