

Lesson 23 Activity

The First of Many

Jesus' first recorded miracle was at the marriage of Cana of Galilee. That was just the start of many miracles. Listed in the circles on the left are a few miracles that we should remember because of the numbers involved. Find the correct numerical answers to the questions and write the answers in each circle. Then write the sum of the numbers in the spaces where the circles touch. The first set of numbers has been given to help you start.

Number of Lepers
(Luke 17:12)
10

How many loaves?
(Matthew 14:19)
15

5

Number of Fish
(John 21:11)

What day was the
marriage? (John 2:1)

How many thanked
Jesus? (Luke 17:15)

How many water pots?
(John 2:6)
