

**DO YOU REMEMBER?**

Below are the four shortest key verses we had this quarter. The first word of each verse is in the first circle. One word is circled, one underlined, one in parentheses, and one has a line through it. As you follow the verses through the maze, keep the same markings for each verse. Example: if the first word is circled then every word in that verse should be circled, including the text at the end of the verse. Have Fun!
