

# God Gives Light

God gives us light, or understanding, when we read His Word and follow Him. How much light did you receive from the lesson this week? Read these statements. If the statement is true, circle the lighted bulb; if it is false, circle the dark bulb.

Herod was king.

Zacchaeus was the name of the priest.

Elisabeth was the priest's wife.

Zacharias burned incense in the Temple.

The angel of the Lord was standing on the altar.

The angel told Zacharias to name the baby John the Baptist.

The baby would be filled with the Holy Ghost from his mother's womb.

The angel's name was Michael.

Zacharias could not see because he didn't believe the angel.

When the baby was born everyone thought his name should be Gabriel.

Elisabeth said his name was John.

Zacharias wrote, "His name is John."

After Zacharias wrote the name he could talk again.
