

Get the Message

To find the message below about judging use this alphabet multiplication table. It works just like the regular multiplication table. The first number will go down and the second number will go across. For example 2-3 will be the letter H, and 4-1 will be the letter P. To find the first letter for you we went DOWN 2 and then ACROSS 5 and found J.

	1	2	3	4	5
1	A	B	C	D	E
2	F	G	H	I	J
3	K	L	M	N	O
4	P	Q	R	S	T
5	U	V	W	X	Y
