REDEEMED

Have you ever been into a pawn shop? A person can find almost anything they would want from tools to dishes to stereos at a reduced price. When a person needs money they can take something of value to a pawn shop and the dealer will set a price to it if he is interested. The price is lower than the actual value but this is what the dealer is willing to give them. They then get a receipt stating the redemption price and the time period allotted to return for the item. The redemption price is Higher than the loan of course that is how the shop stays open. The shop is able to sell the items not redeemed before the given date.

Think of us sitting in the devils pawn shop. How did we get there? Look up Romans 5:12 and Genesis 3:6.

How long do we have to be redeemed? Look up II Corinthians 6:2 and Revelations 3:3.

What is the redemption Price? Look up 1 Peter 1:18:19 and John 3:16.

Is there any thing we can do to redeem ourselves? Look up John 6:44

We are "bought with a price" 1 Corinthians 7:23. Praise God for all His benefits.
