

# Here Am I; Send Me!

To serve the Lord is the most wonderful thing anyone could ask for. There are several verses in the Bible that help us to know how important it is to be willing to serve the Lord. Three verses are hidden in the letter maze below. Follow through the maze (we have started the puzzle for you as an example) by drawing one continuous line through the letters to complete all of the verses in the following order: **Serve the LORD with gladness. By love serve one another. If any man serve me, him will my Father honour.**

# Are You Willing?

What do you think would happen to a sports announcer who stopped announcing a game because his favorite team was losing? to a mechanic who put off fixing someone's car because he didn't like that particular model? a florist who wouldn't send an arrangement of red roses because yellow was her favorite color? Each of those people weren't willing to do what was expected of them. Do you think they kept their jobs?

God wants His people to be a willing people. A person who is willing to follow Jesus, no matter what he is called to do, will be enthusiastic, eager, active, and ready.
