JOSEPH

Pattern — Unit 13 — JOSEPH bulletin board

But he was in God's hand.
(point up)

Some lies were told about him,
(hold hands to mouth
like you're talking)

In prison he did land.
(pretend to hold prison bars)

He went down into Egypt,
(march in place)

They sold him for some pay.
(rub fingers together for money)

His brothers were not happy,
(shake head no)

God said he'd rule someday.
(hold hands on head like crown)

Joseph dreamed a dream one night,
(pretend to sleep)

God's Plan

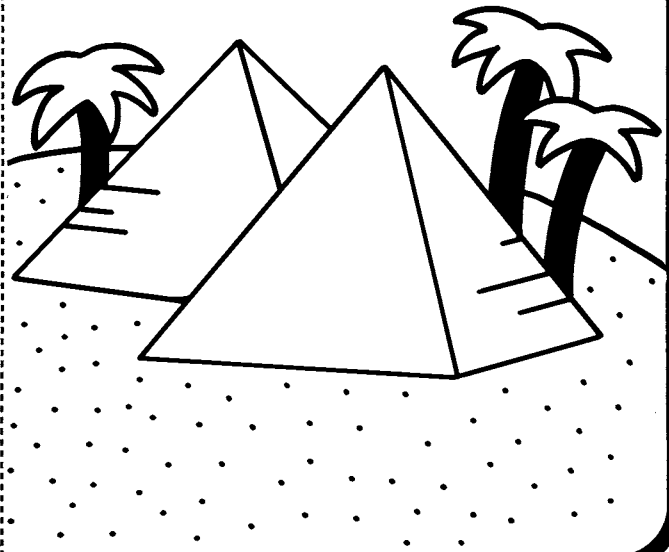

Poem and Finger Play

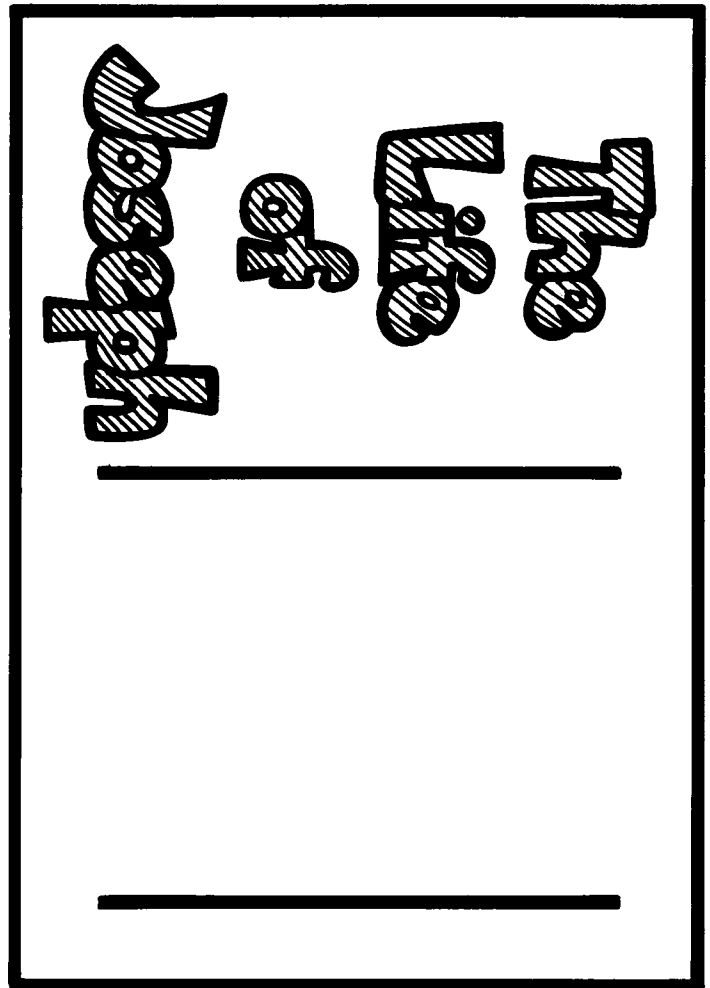

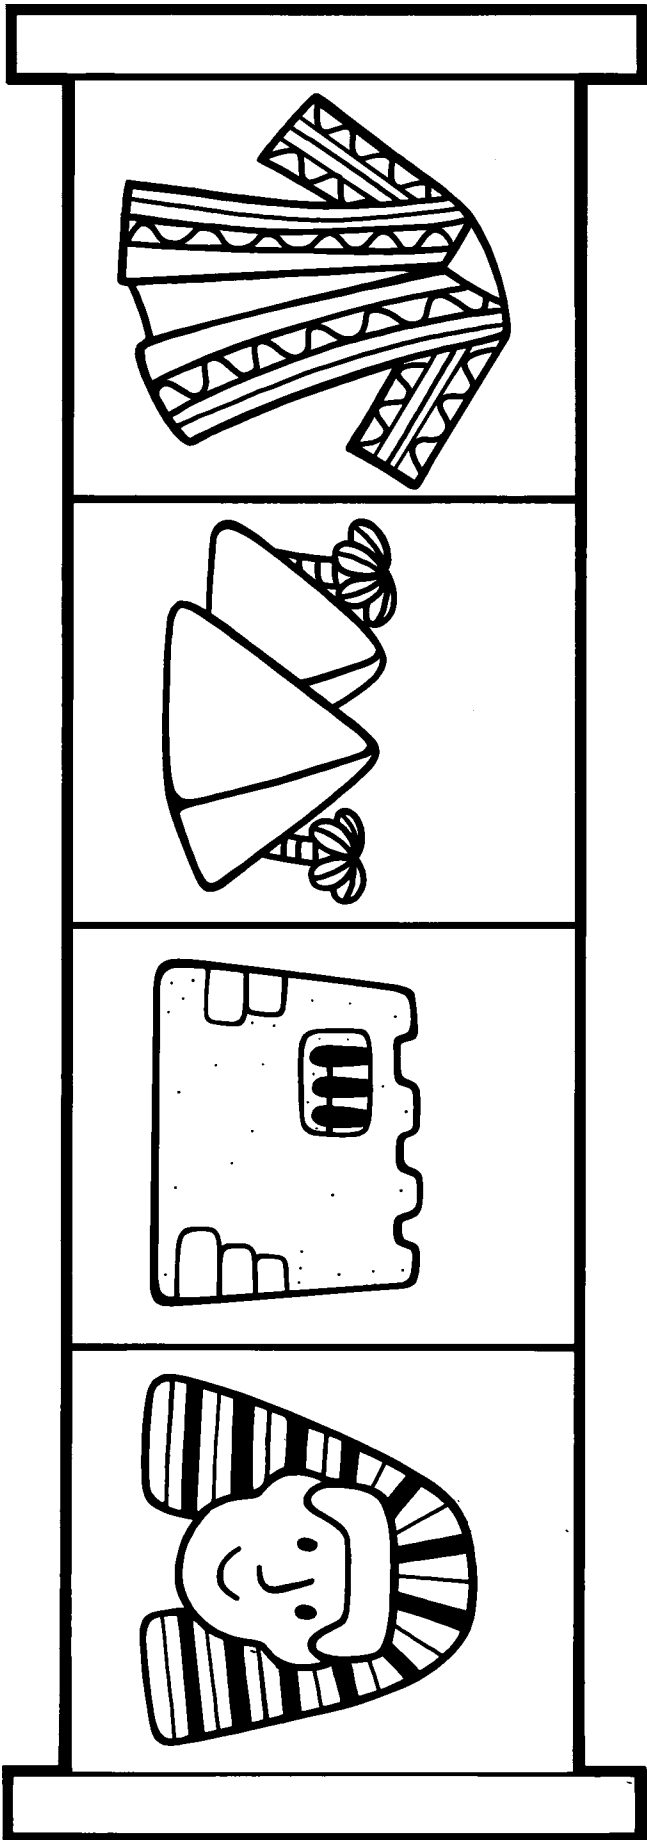

Pharaoh learned the truth one day,
(act surprised)

He said, "Set Joseph free."
(shake finger)

Joseph helped to rule the land,
(hands on head like crown)

His dream came true, you see!
(hands out matter-of-factly)

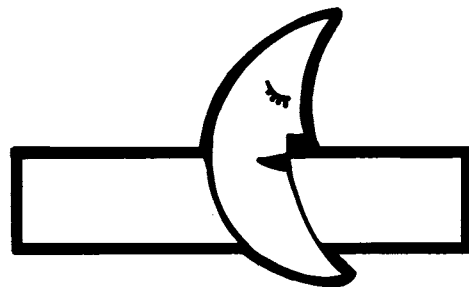

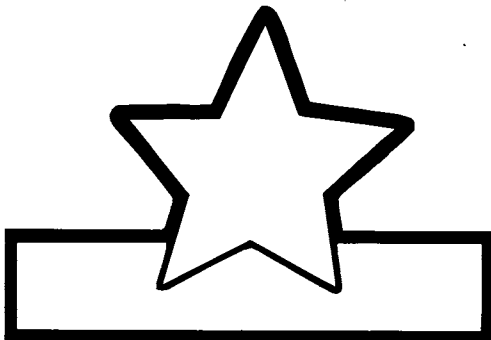

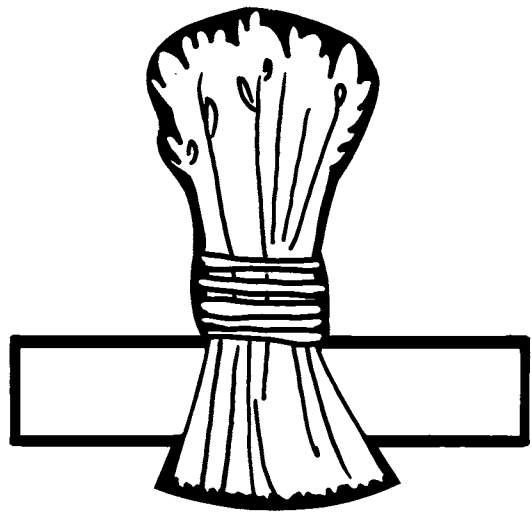

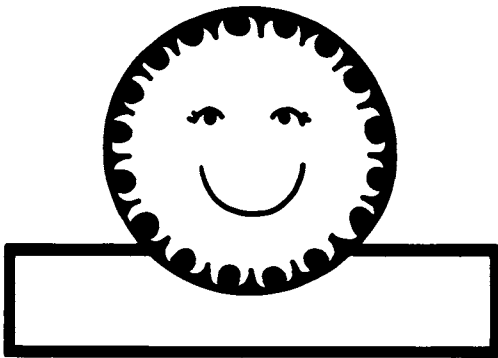

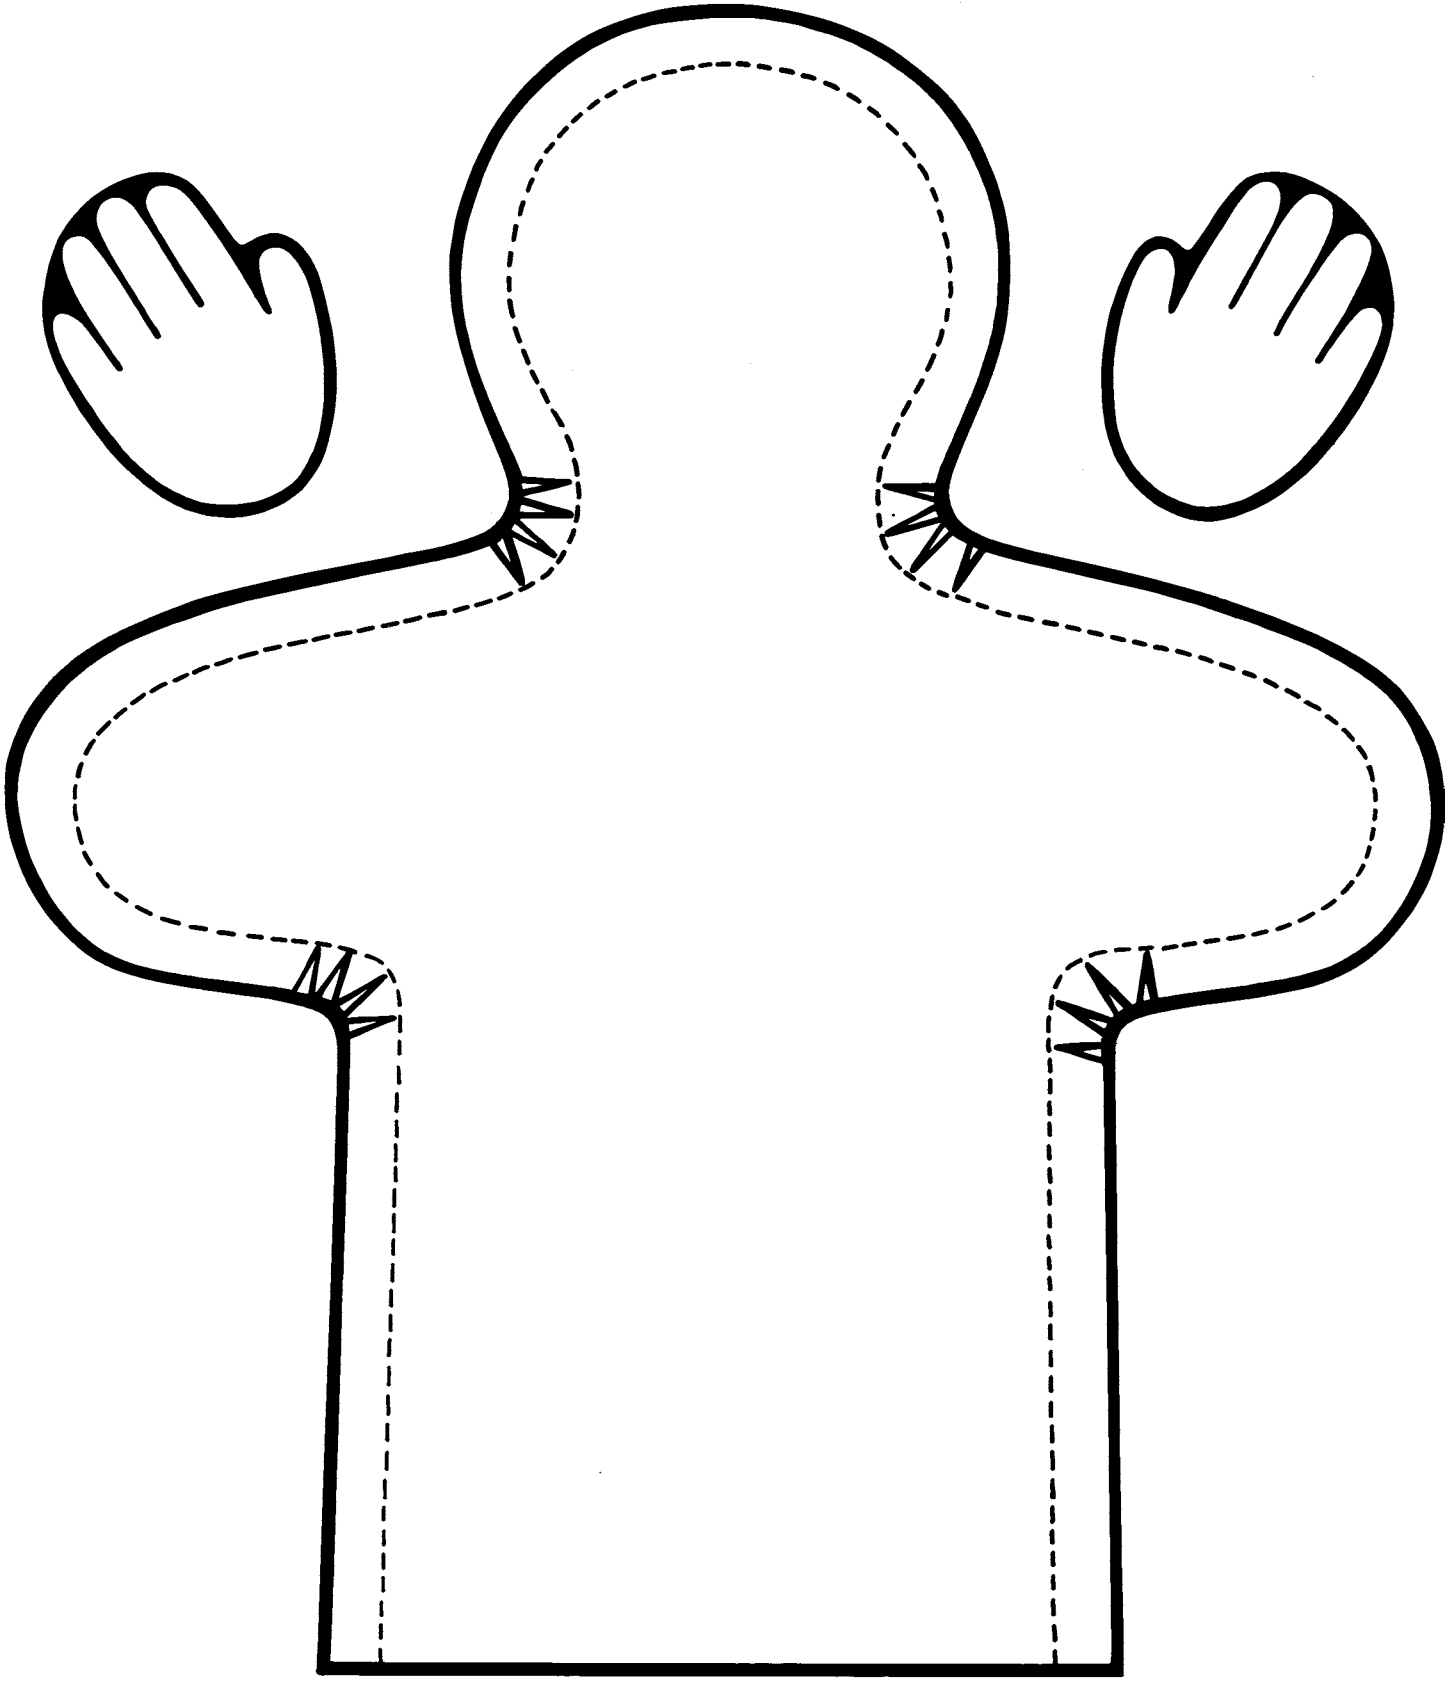

Fear not, for I am with thee.
