## Baby Moses

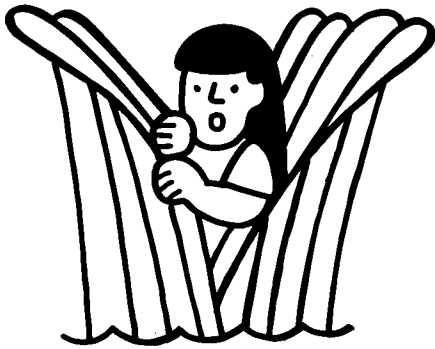

“I will never leave thee, nor  
forsake thee” (Hebrews 13:5)

Moses' mother made a basket.  
(Trace around the basket.)

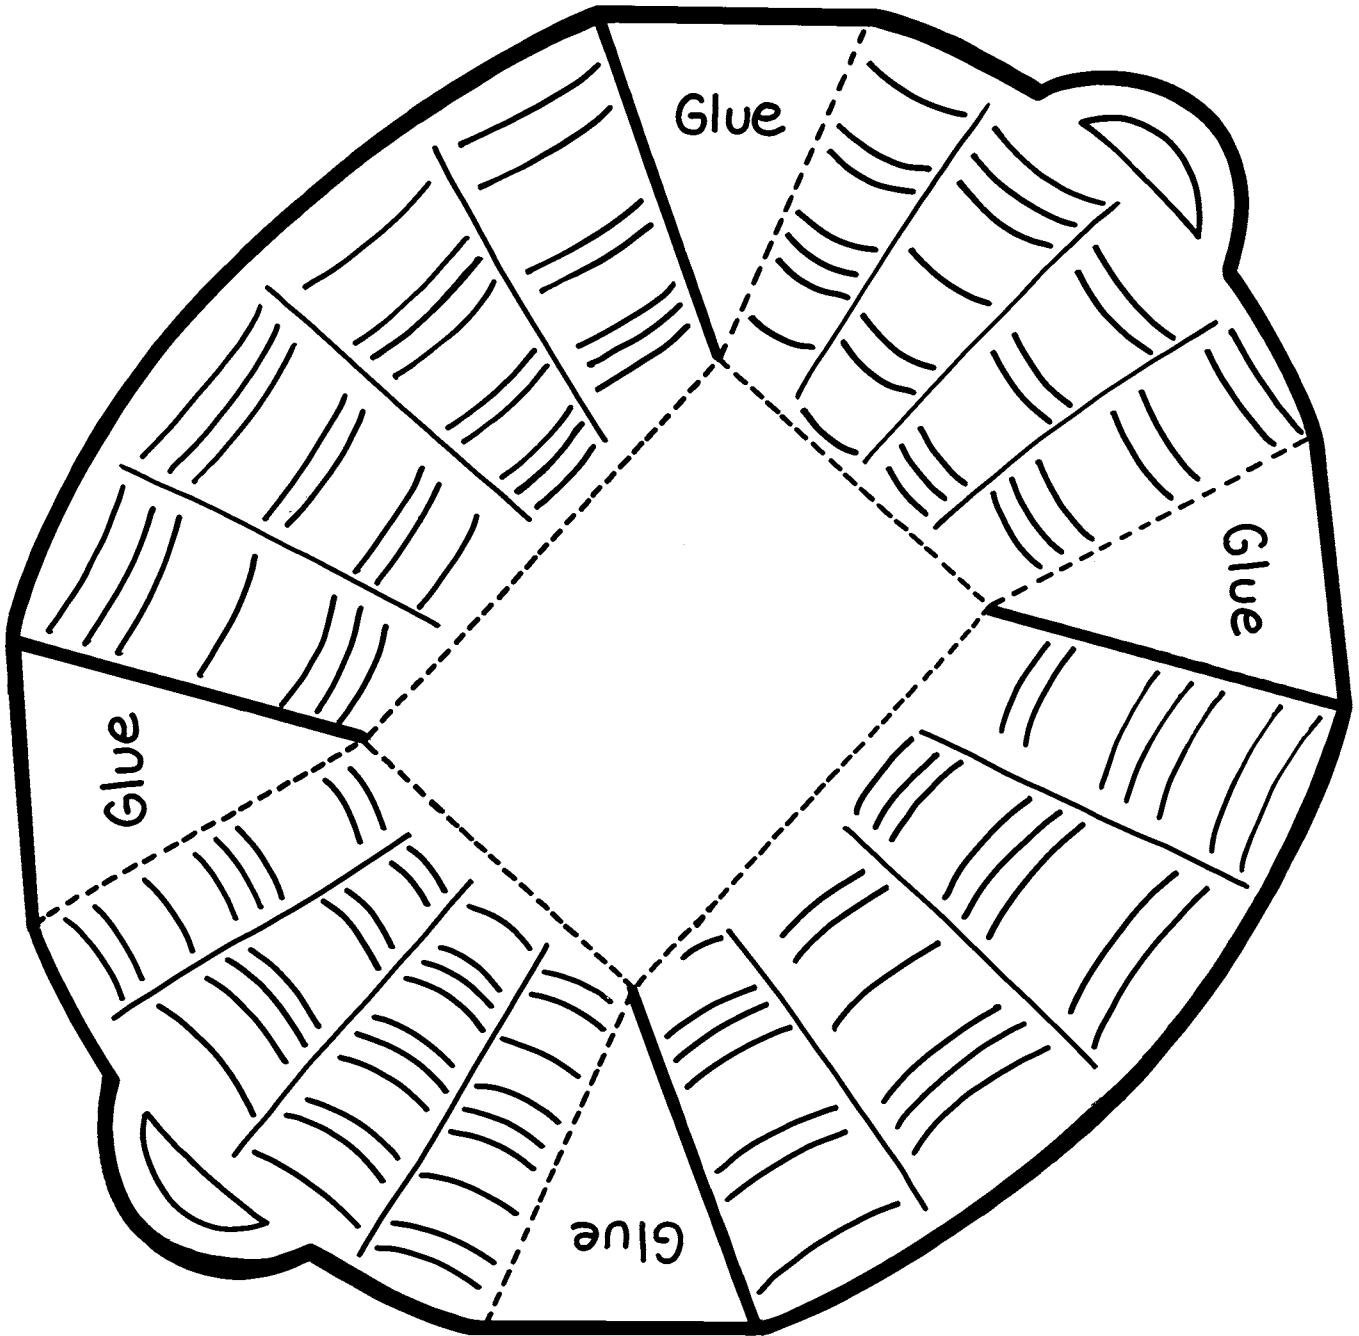

She put Moses in the basket  
and placed him in the river  
where the tall grass grew.  
(Color the picture.)

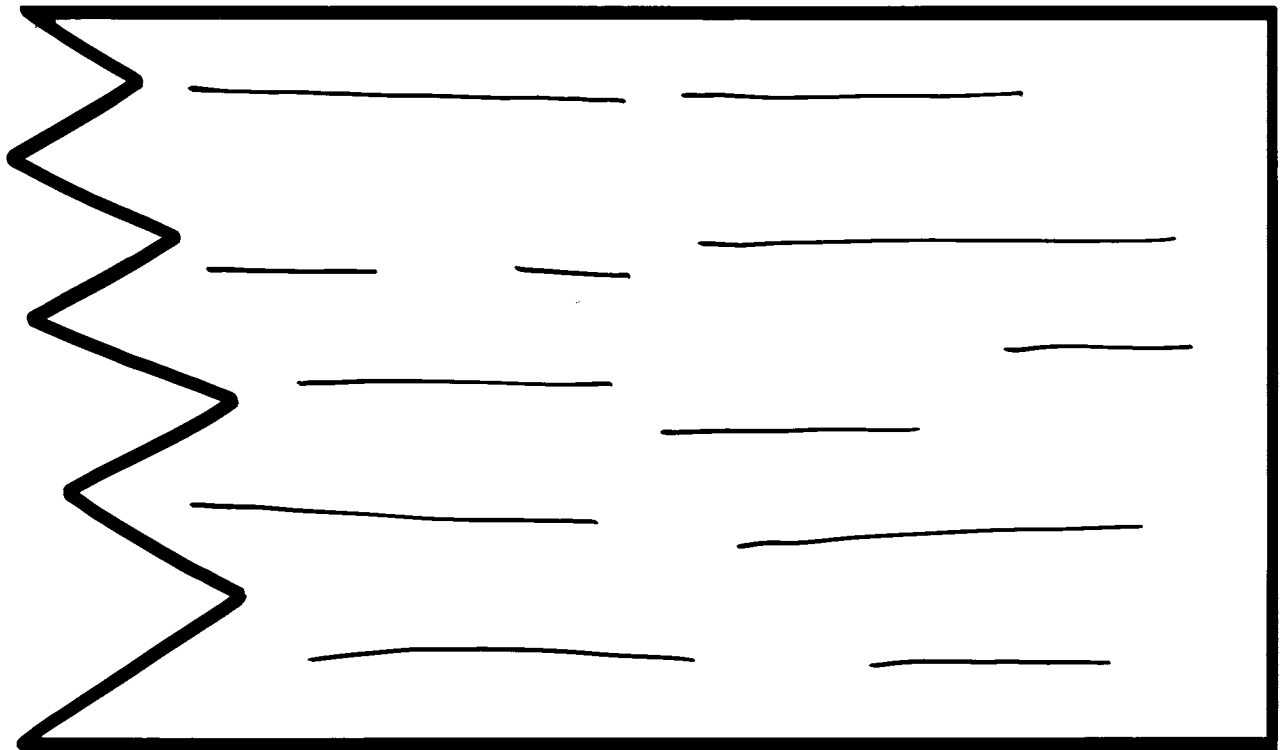

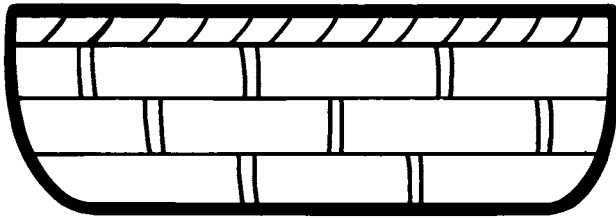

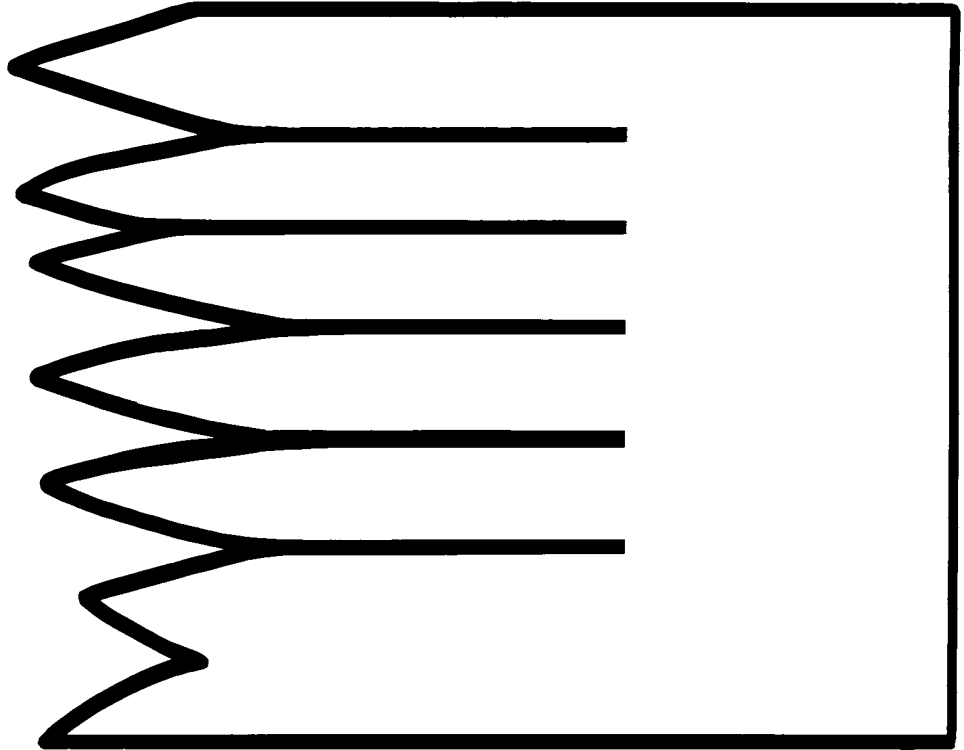

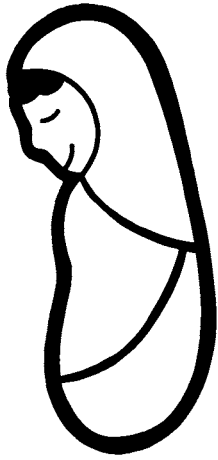

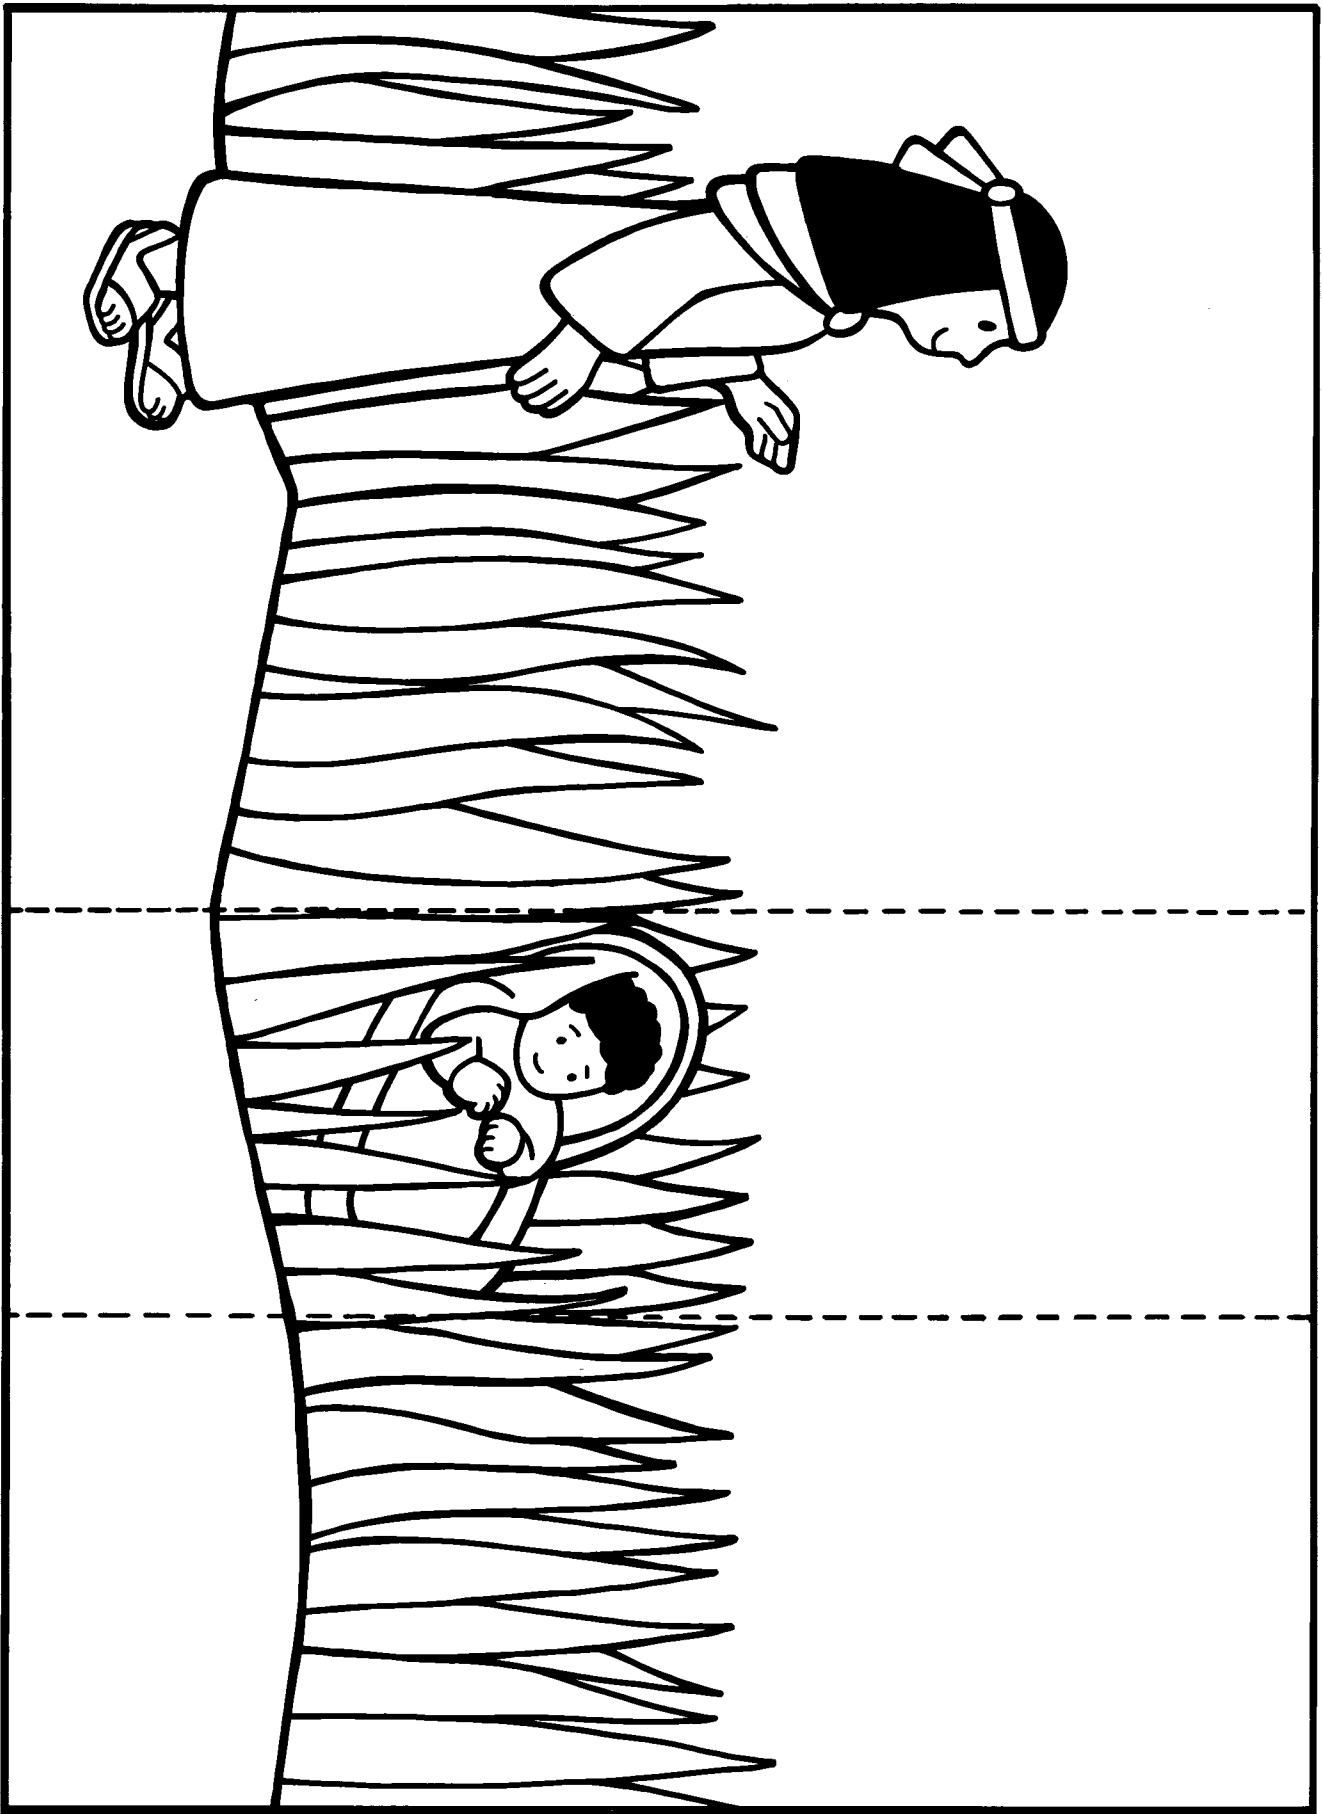

His sister hid in the bushes and watched. (Color in more grass.)

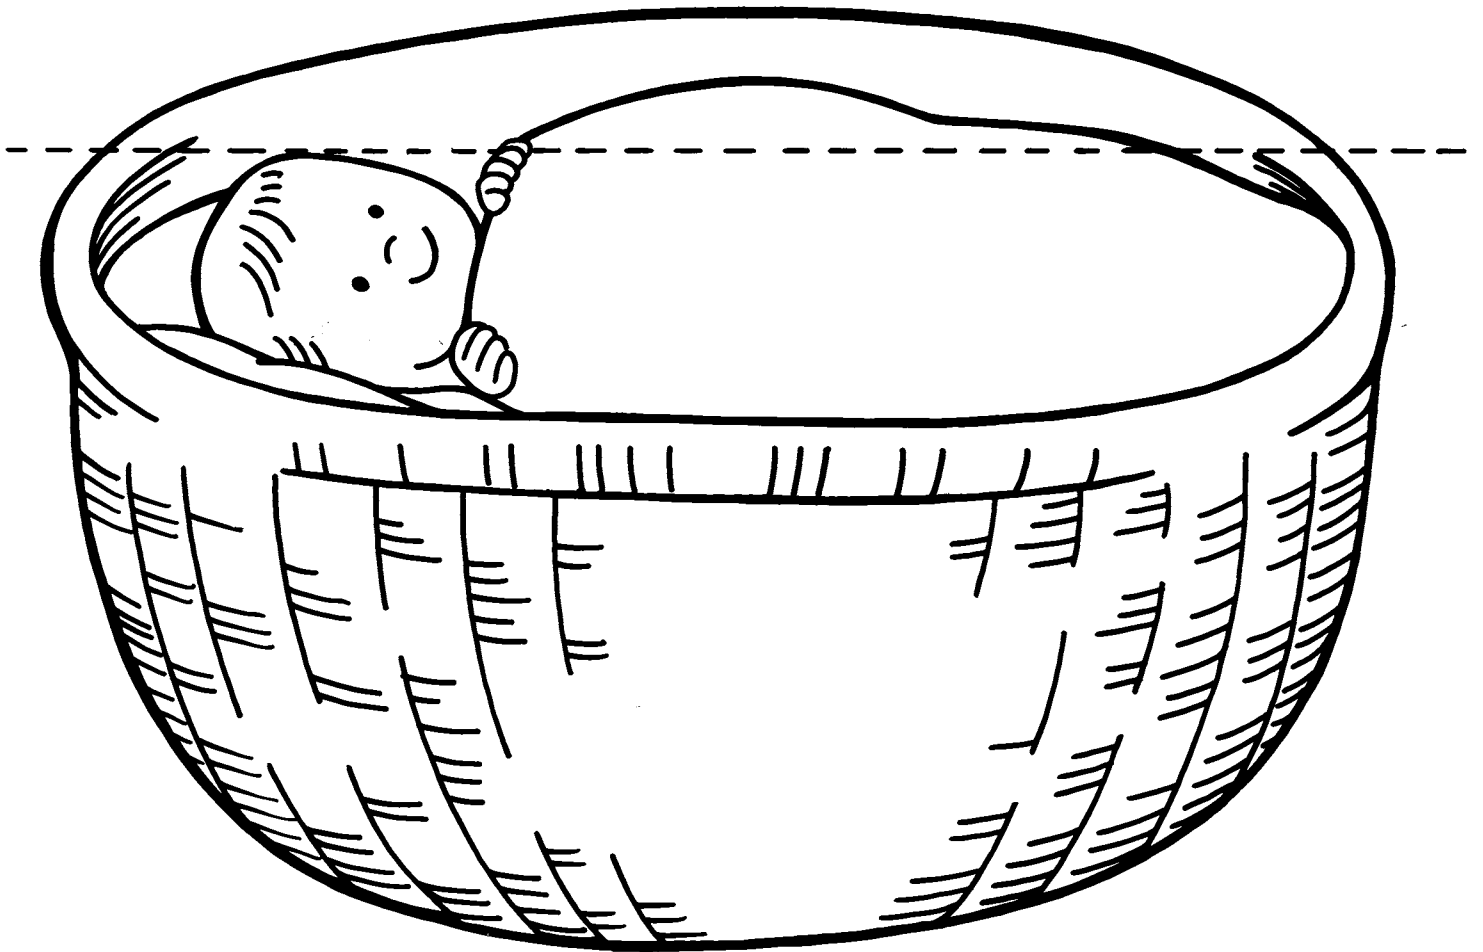

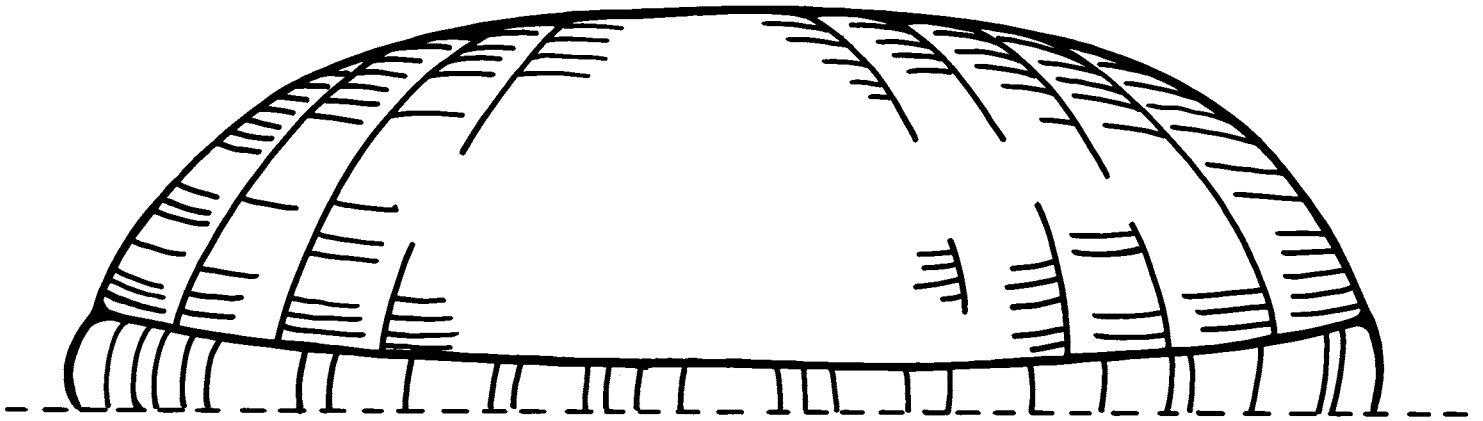

A princess found him and asked Moses' mother to take care of him. (Color the picture.)

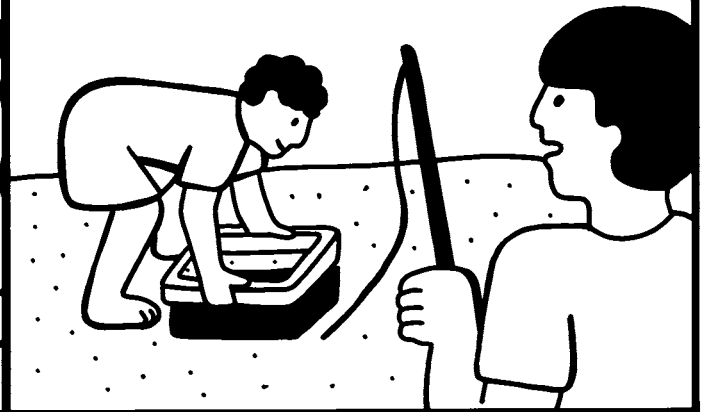

My baby will be safe here.

Hurry! Make more bricks.

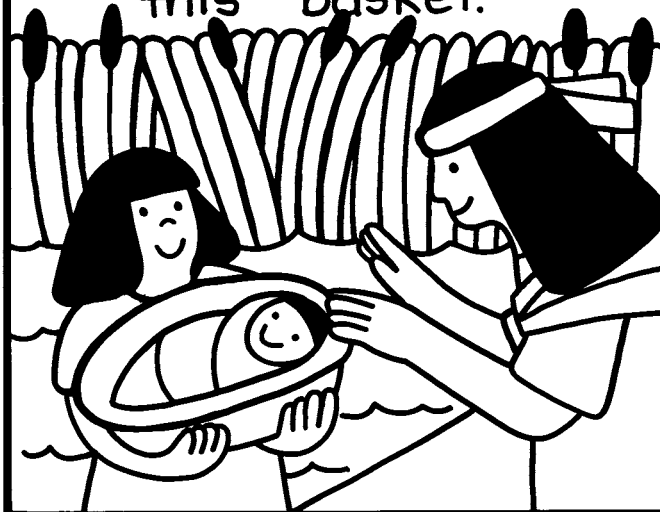

Shall I find someone to take care of the baby?

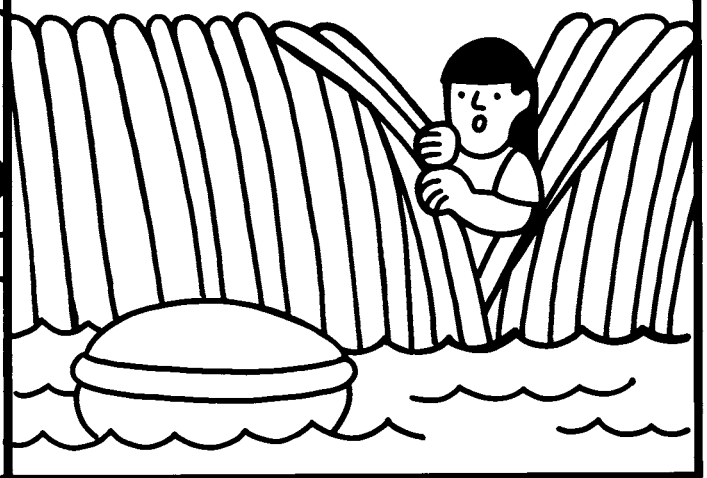

What should we do? There are too many Israelites.

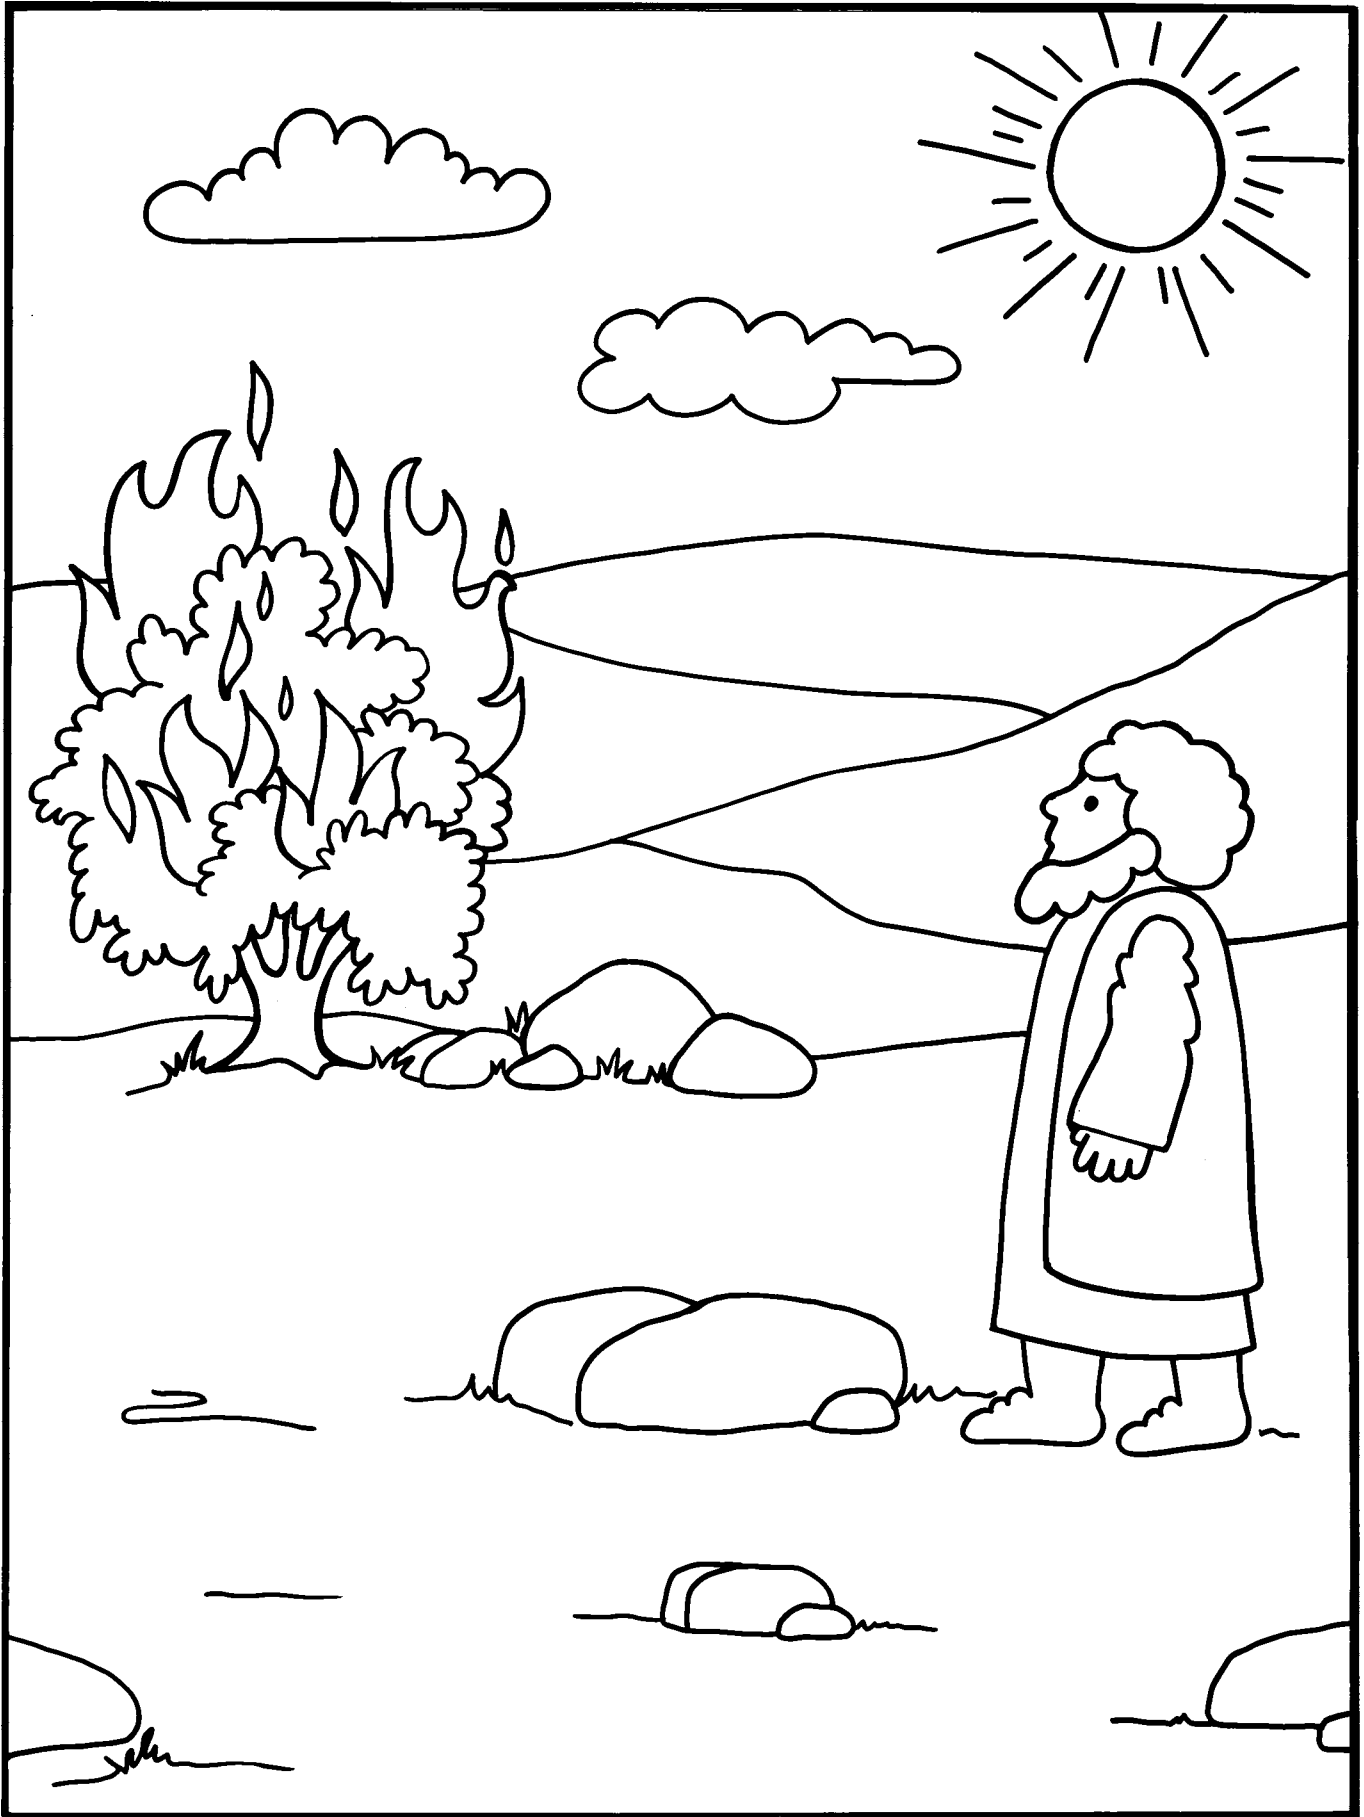

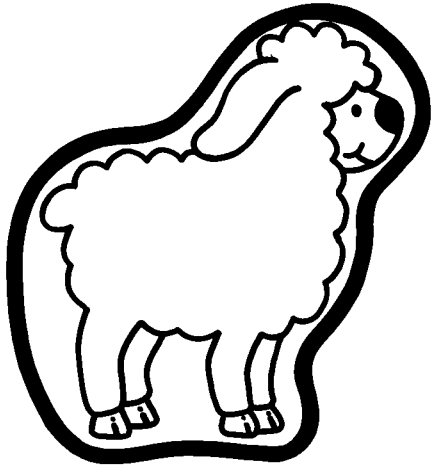

Look! There is a baby in this basket.

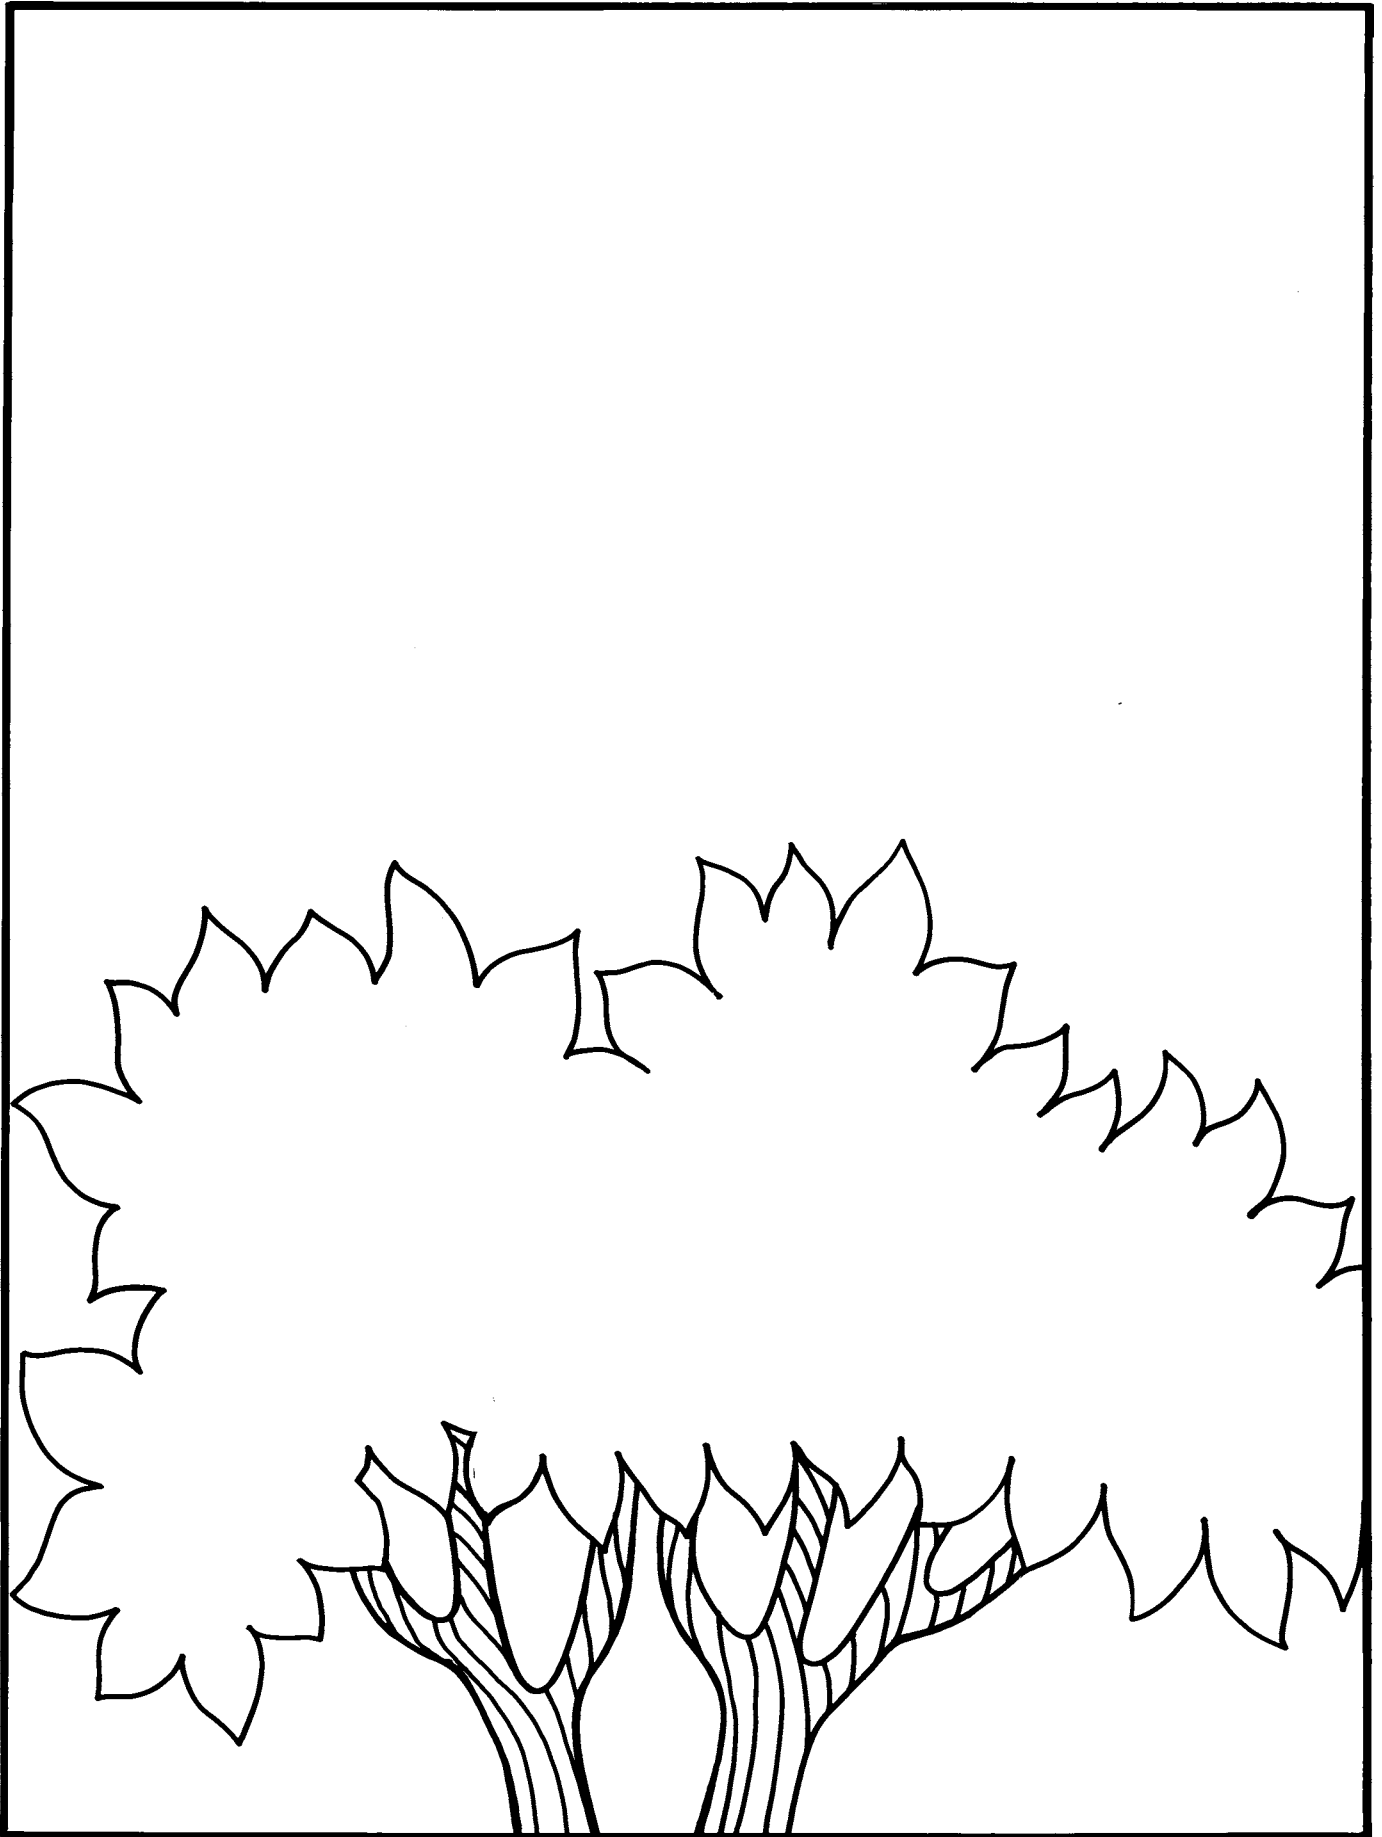

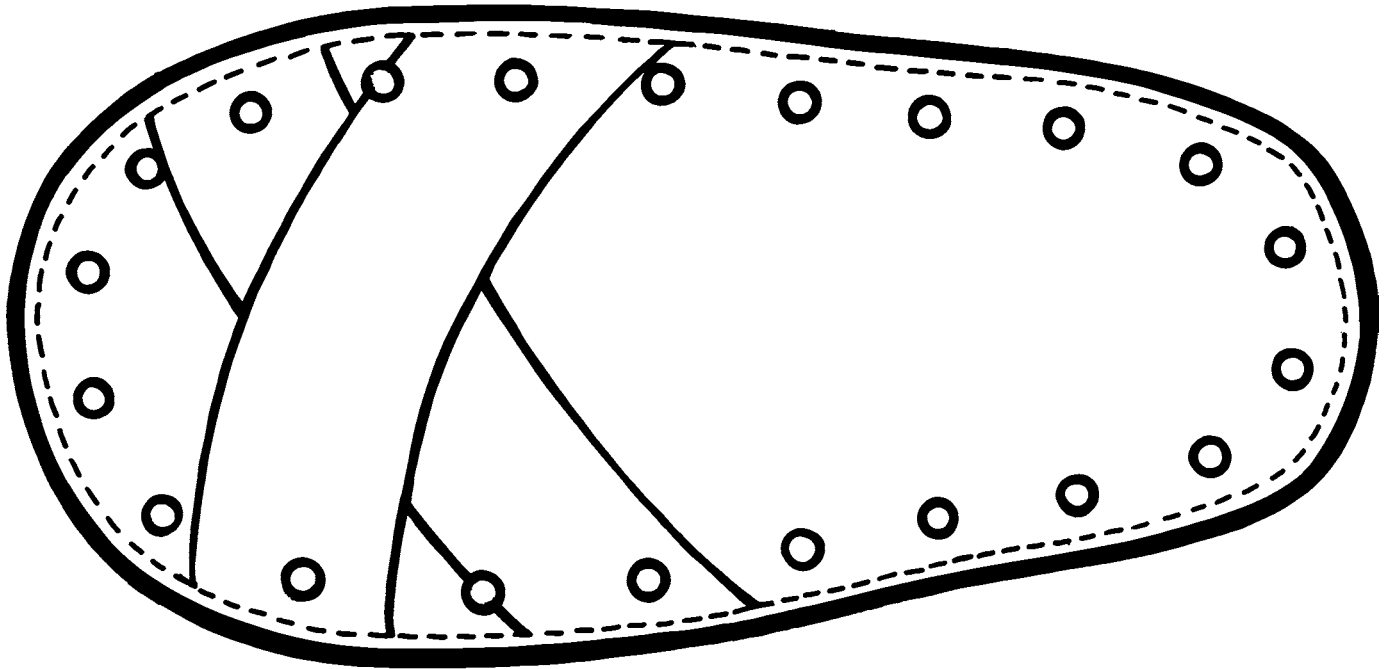

I'll watch baby Moses from here.

(1) To make the frog's head fold a piece of 8½"x11" paper into thirds.

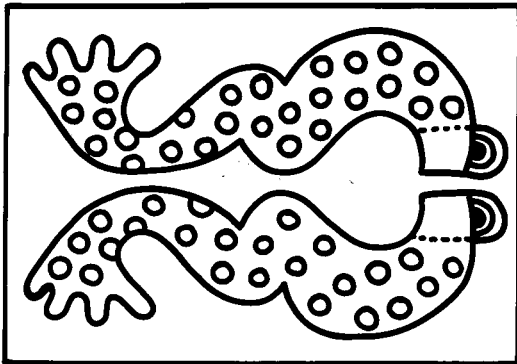

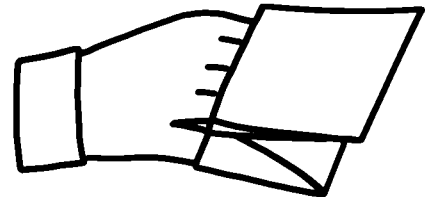

(2) Glue the top folds together.

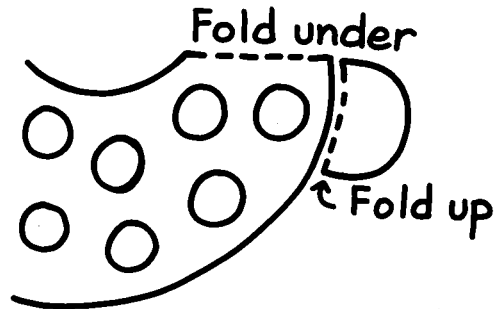

(3) Fold the glued paper in half.

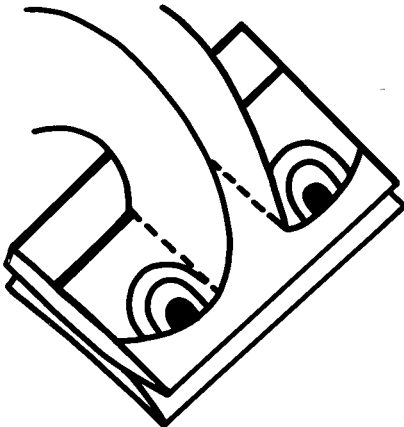

(4) Then fold the ends back to make a W. This makes a place for your fingers.

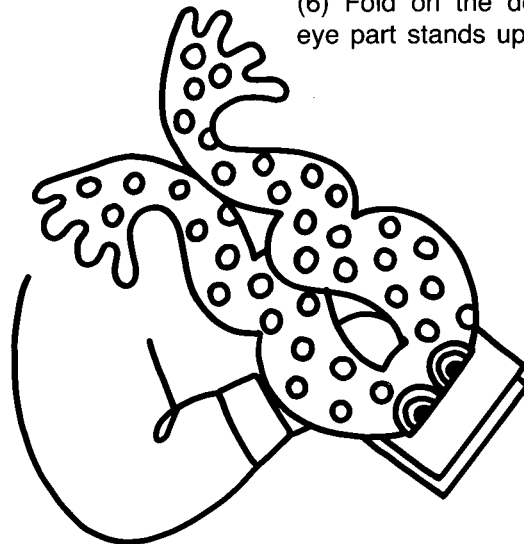

(5) Copy the frog shapes on another sheet of paper and cut them out.

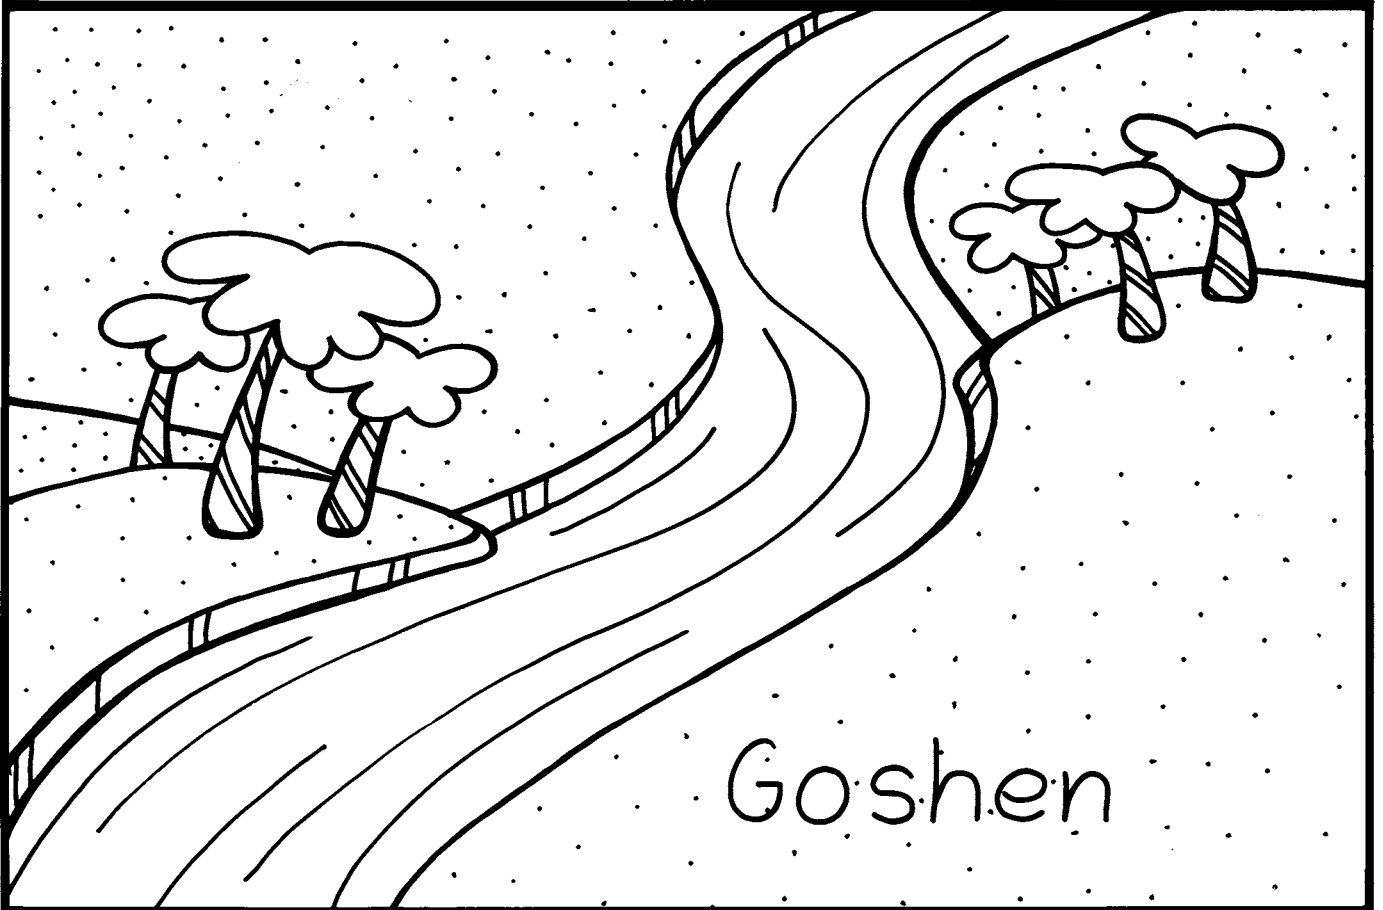

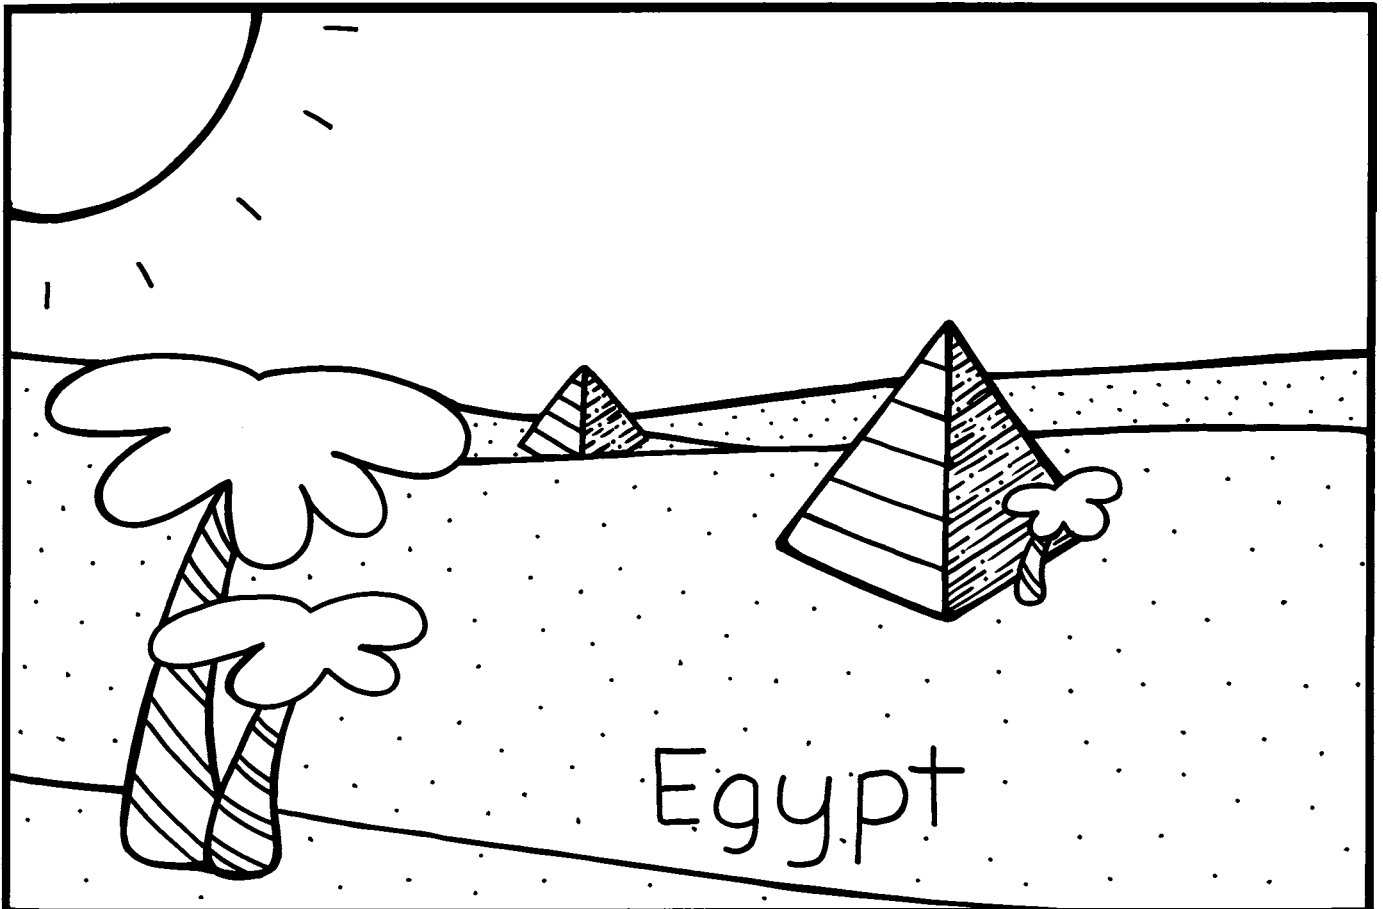

(6) Fold on the dotted lines so the eye part stands up.

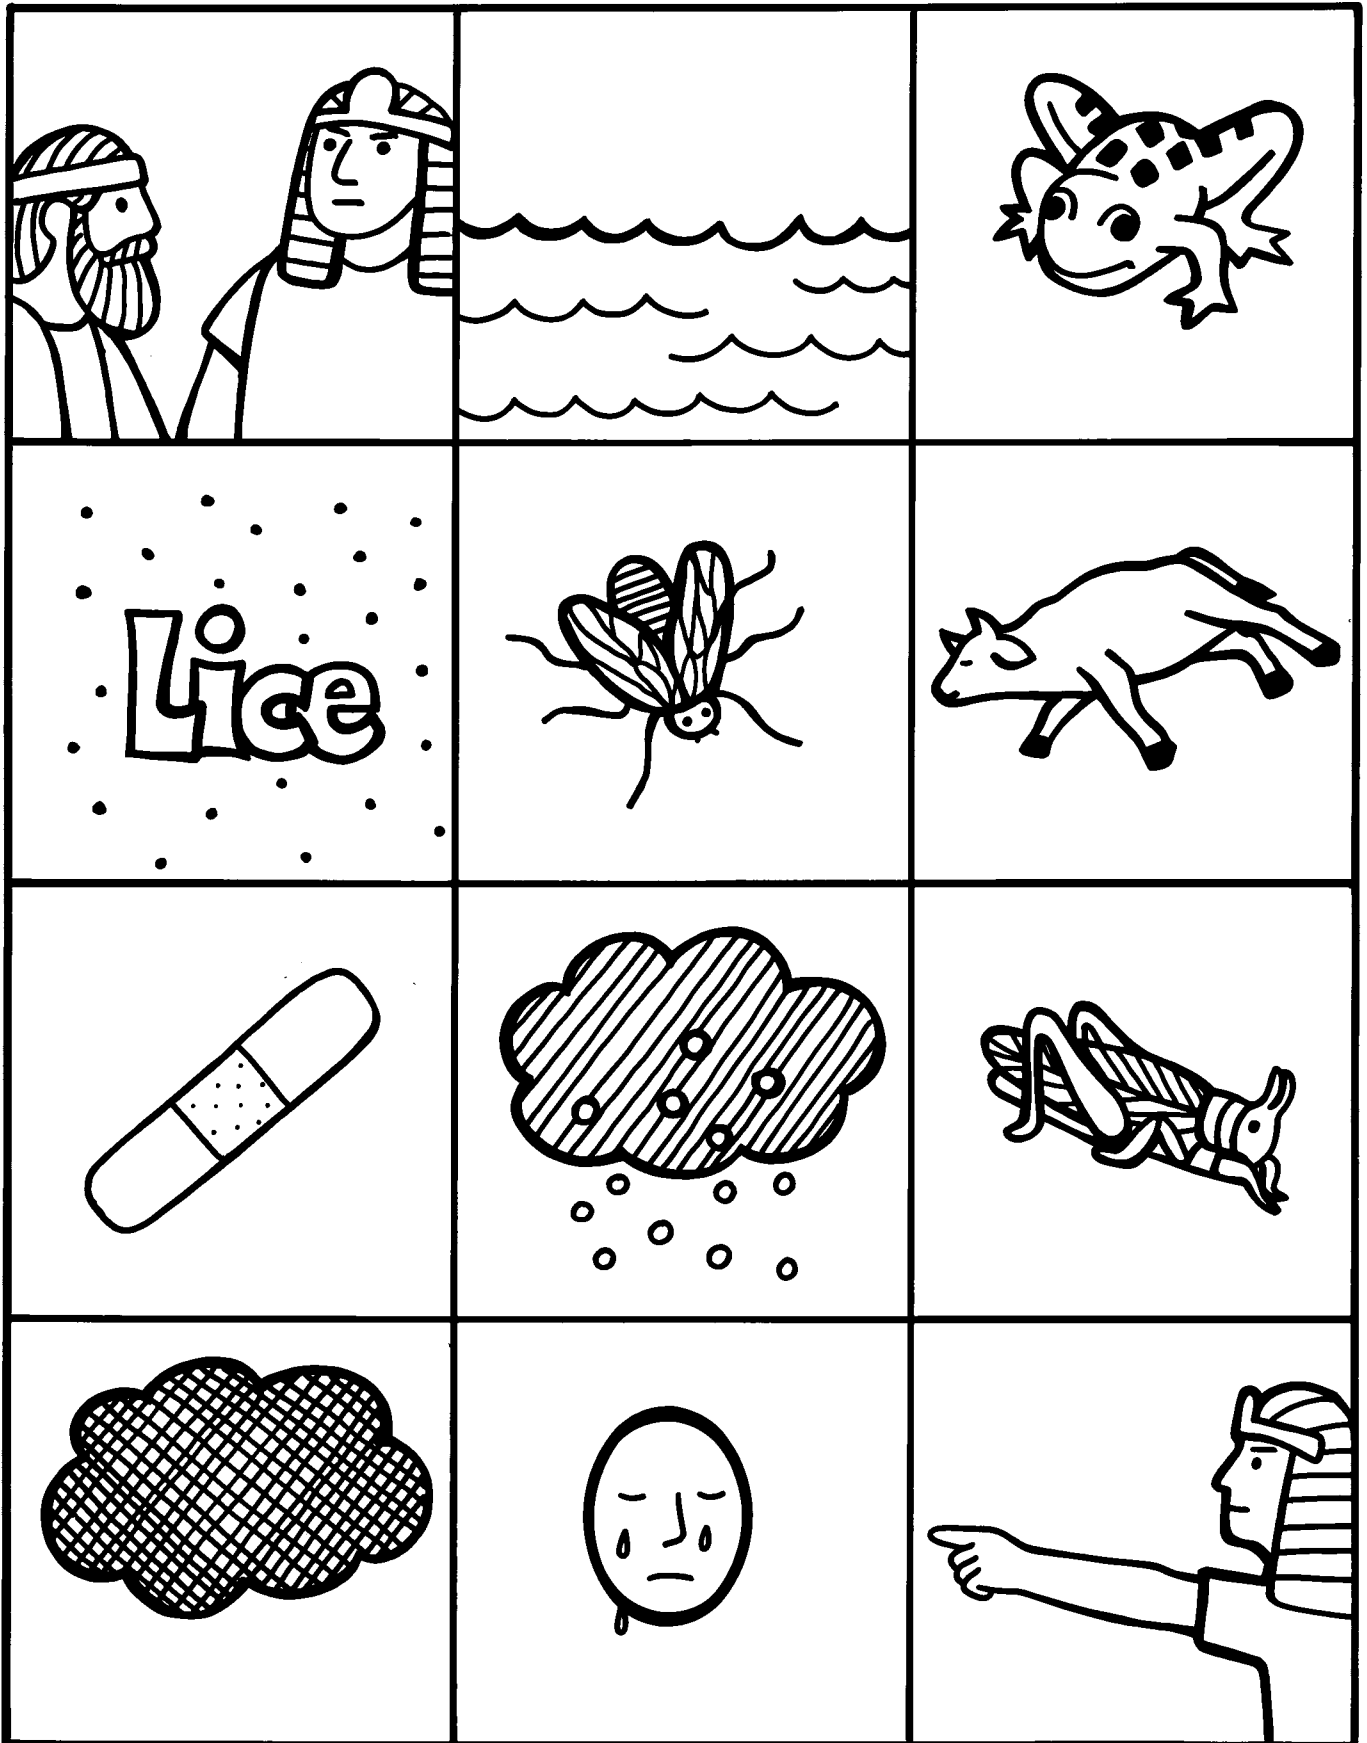

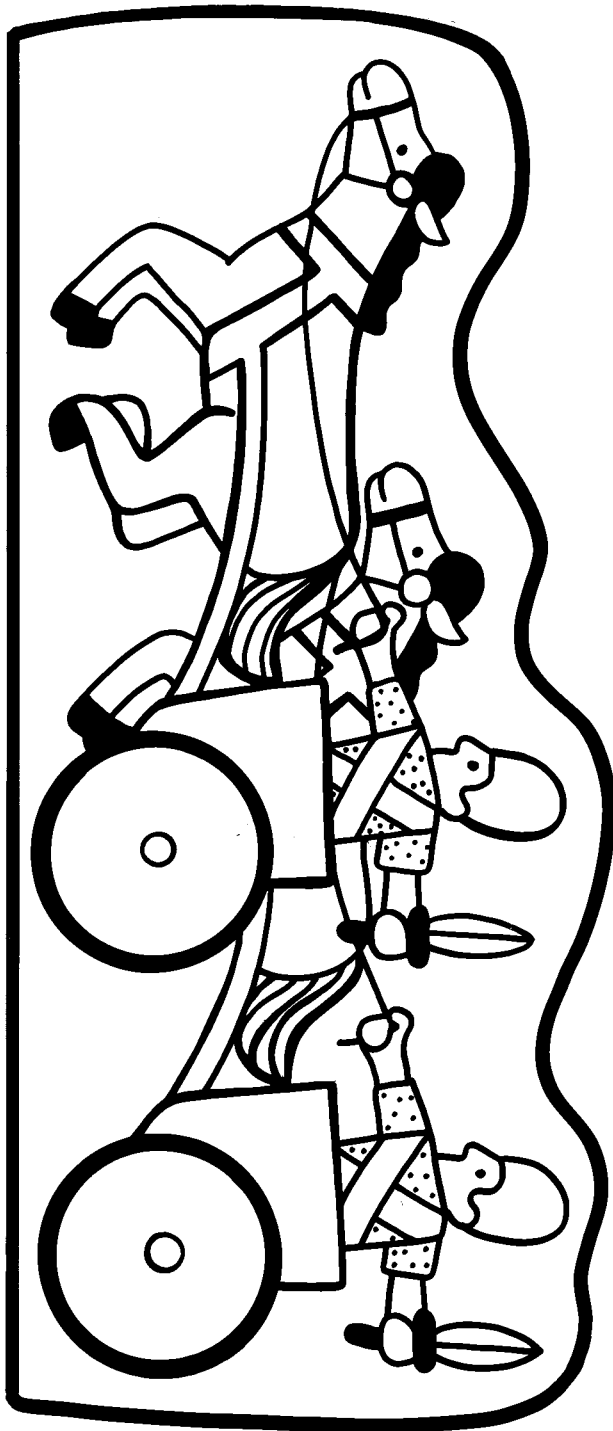

(7) Glue the frog pieces, where indicated, to the top of the head as shown.

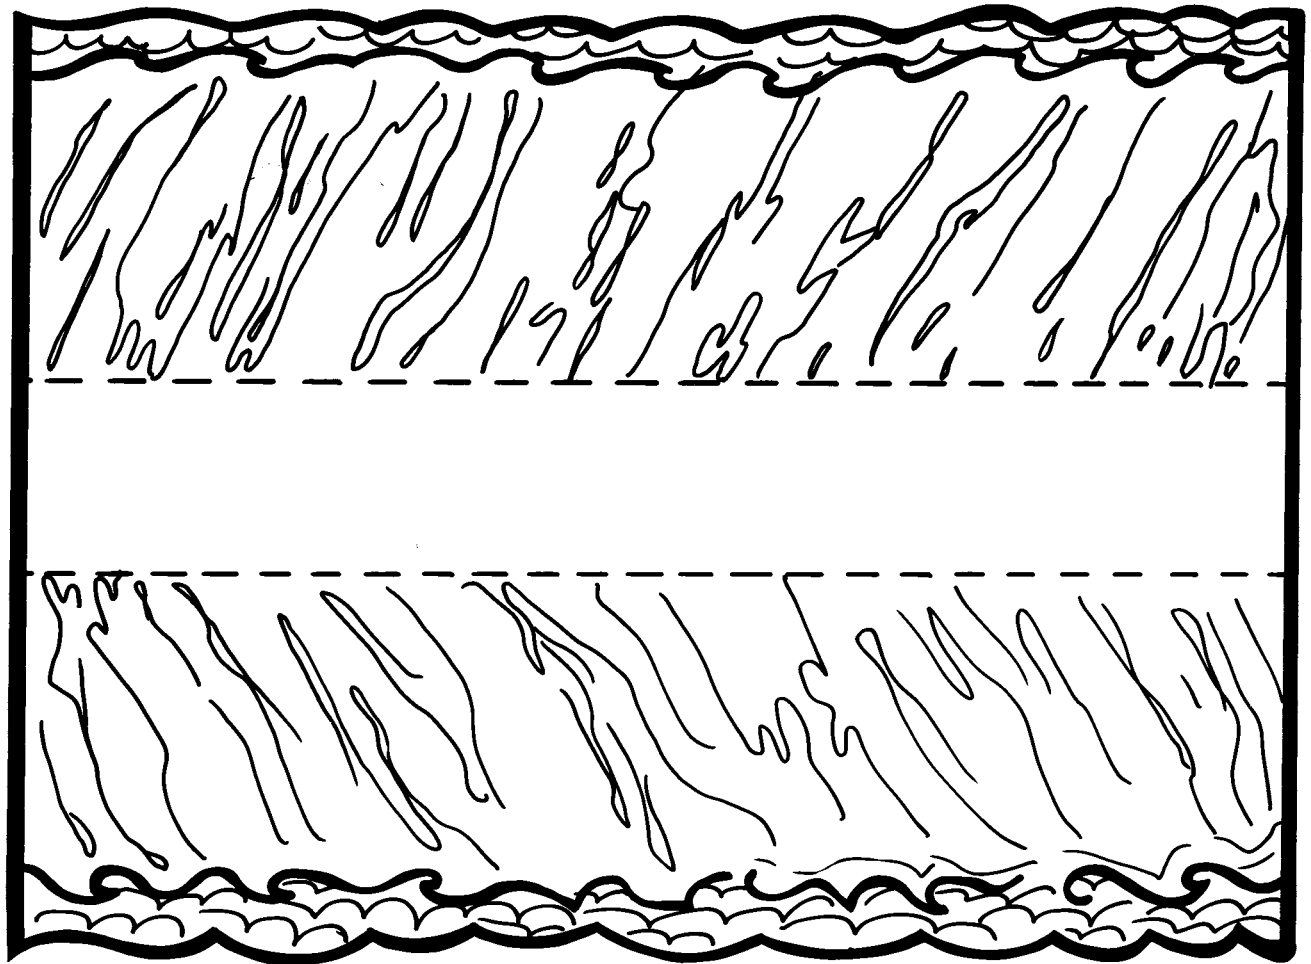

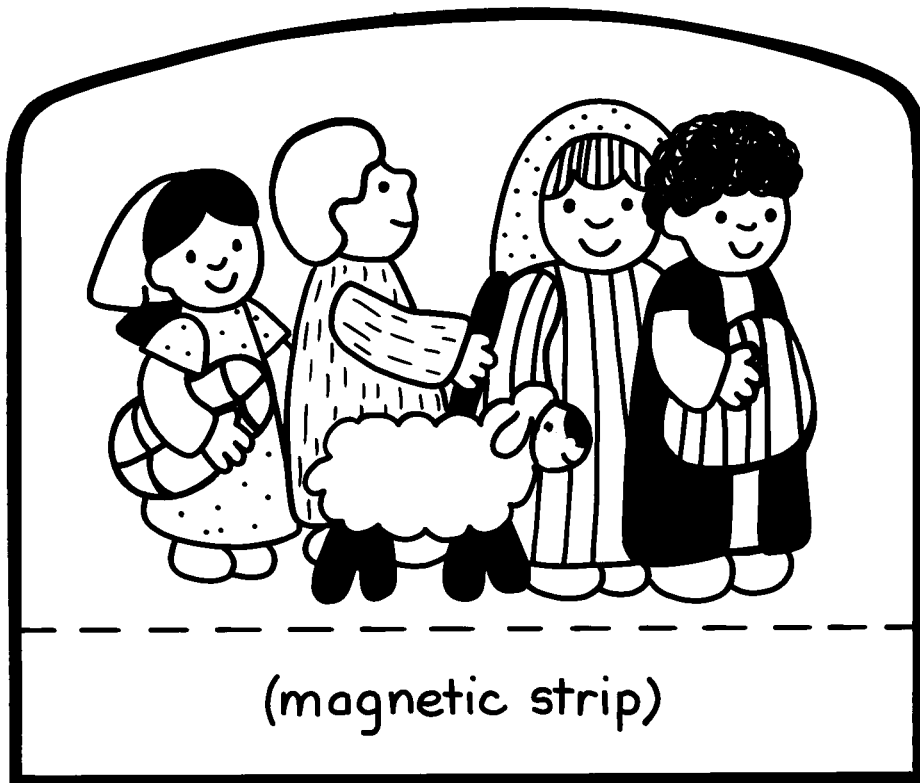

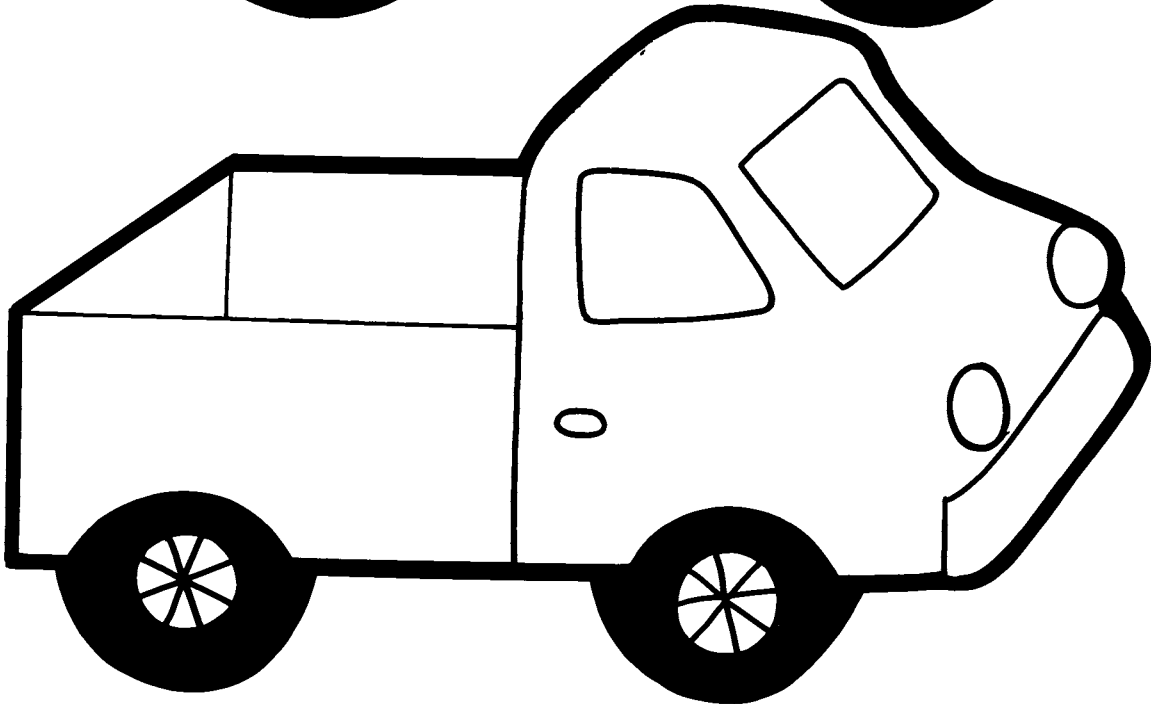

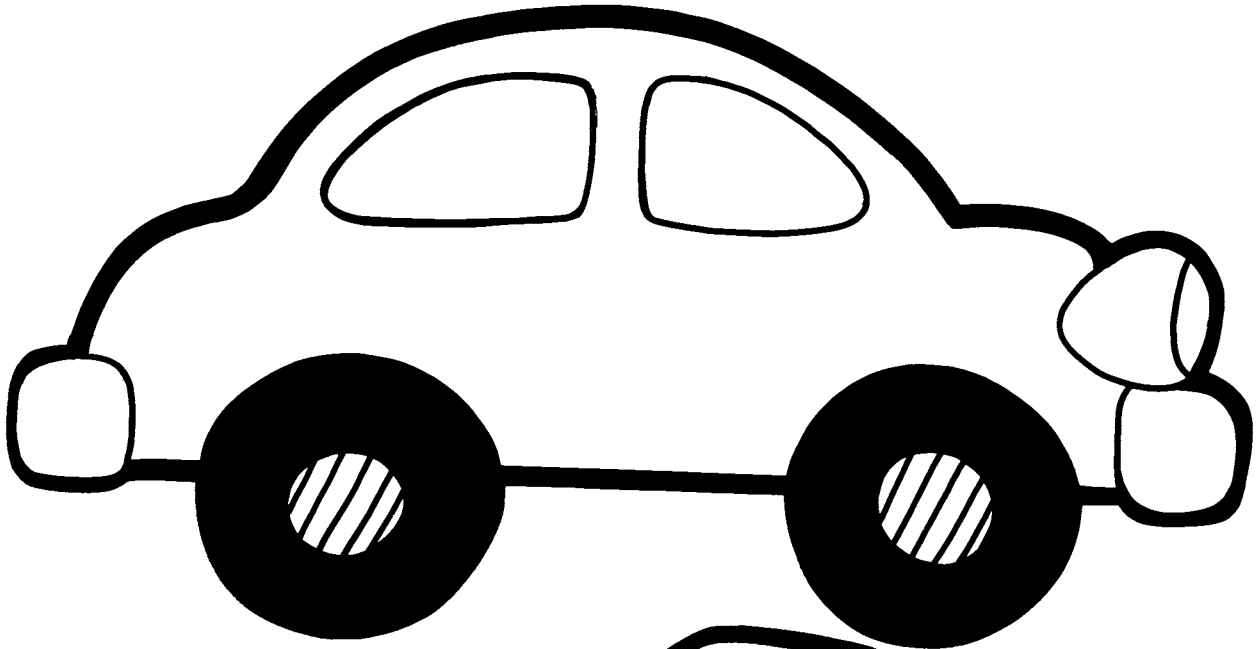

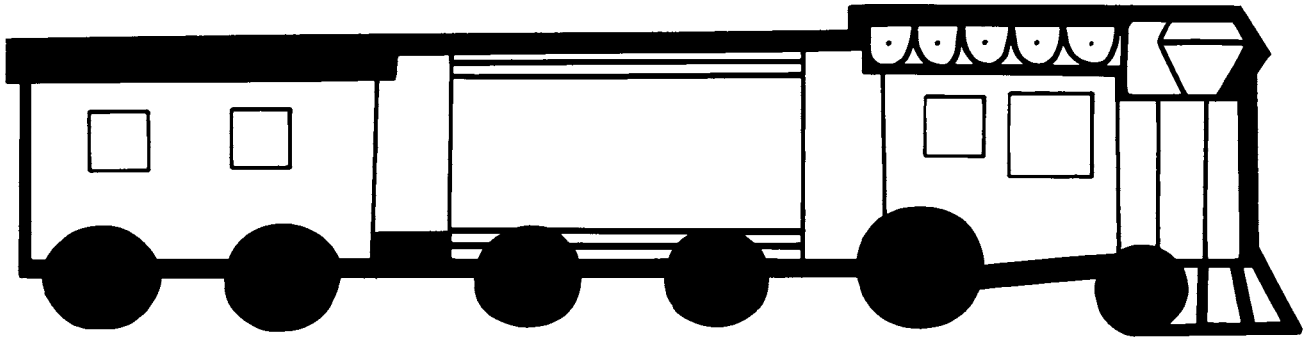

(8) Insert fingers and you have a frog puppet!
