Giving for Jesus

A little girl named Annie learned that when she shared what she had, God used it to make a difference. Read each sentence in the HAVE column, find a NEED to match it, and then find what a DIFFERENCE it made. Think of something you can share and then complete the empty set of boxes at the bottom of the page.

HAVE

NEED

DIFFERENCE

Here is your allowance, Annie.

Helping to clean the church yard is fun. I'm happy when I use my time for Jesus.

People enjoy hearing the children's choir. They sing so well.

Church clean-up day is almost here. Annie, do you have time to help?

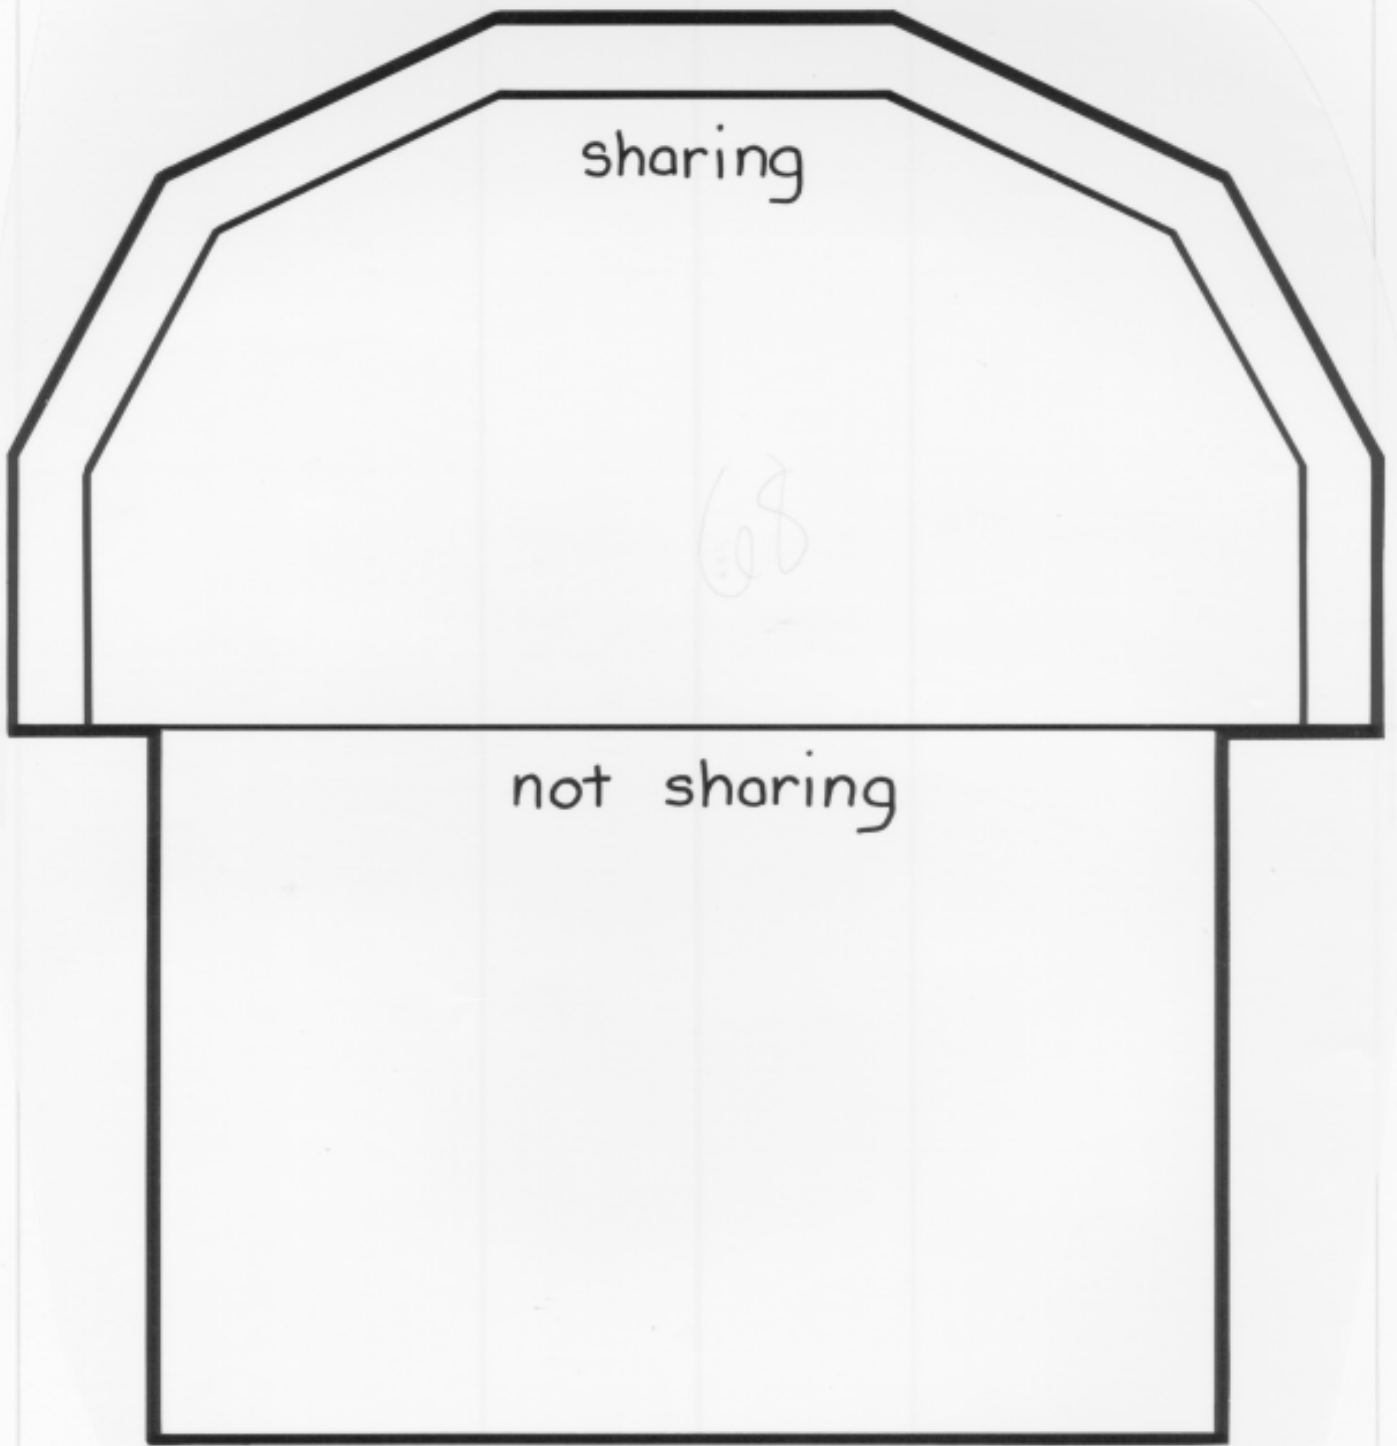

It makes me feel good to sing, "Jesus Loves Me," with the children's choir.

Books and pictures were bought to teach other children about Jesus.

Annie, you have a pretty singing voice.

I'll give some money for the missionary work.

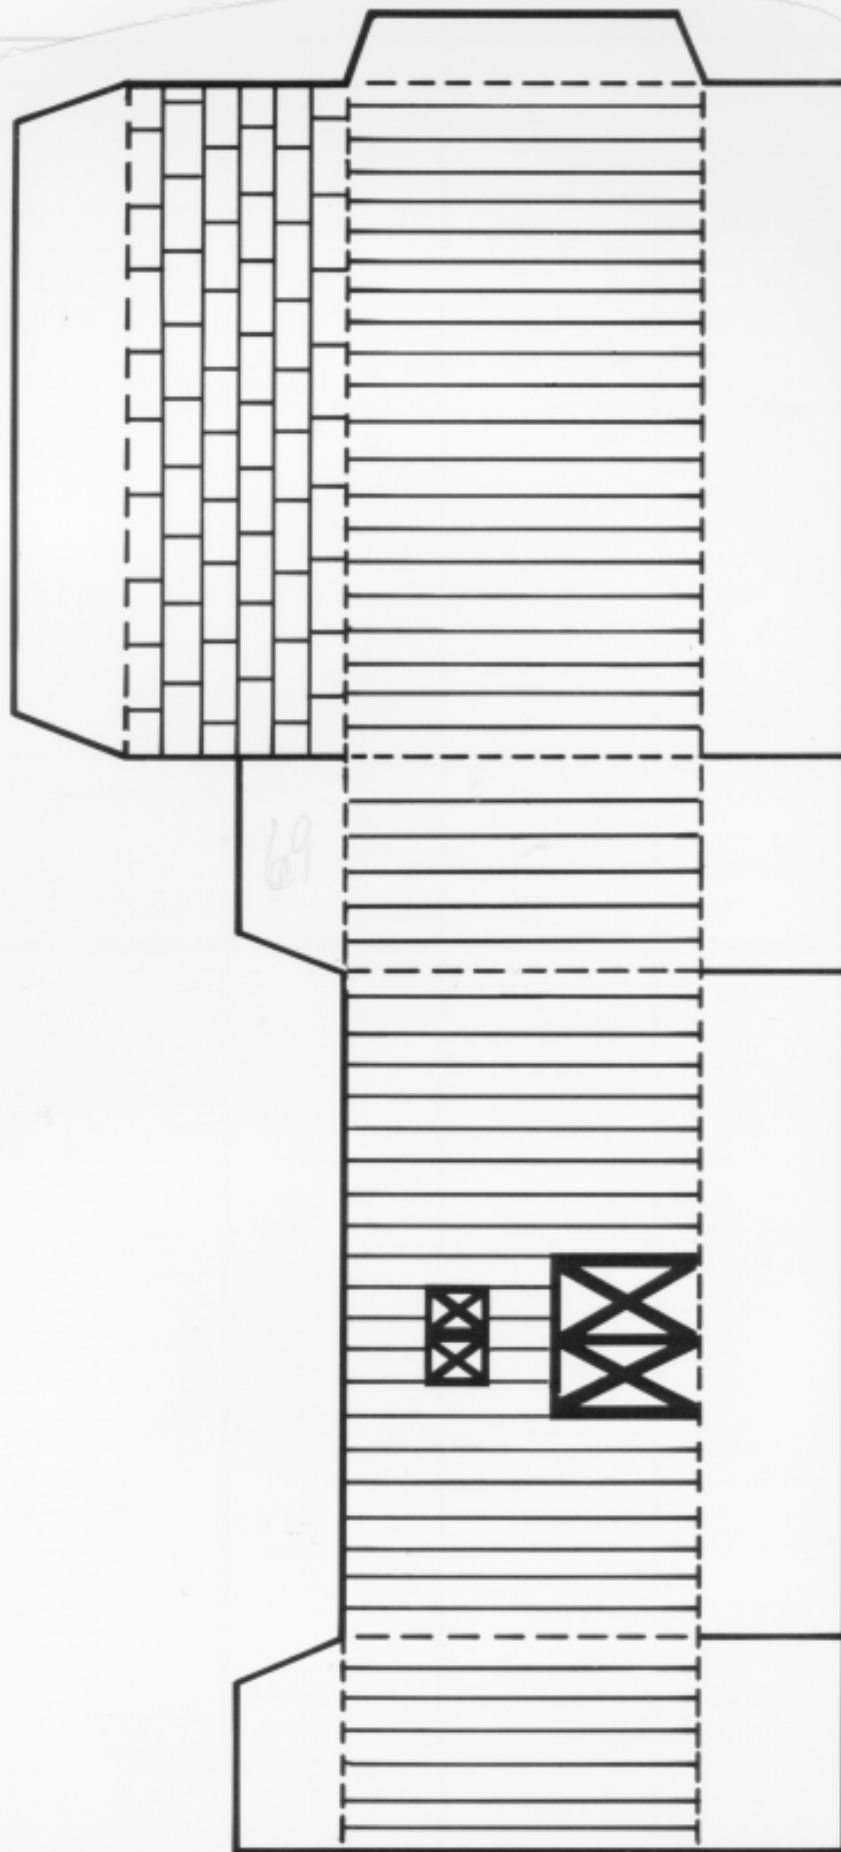

The church certainly looks nice when the yard is cleaned up.
