## The Bible — God's Word

Here is an easy little finger play about God's Word. There are only two hand actions to remember. The first is hands held flat together (like prayer) to represent a closed book. For the second, hands are held open and together to represent an open book. Do the signs as you say this rhyme about the New Testament.

Let's open its pages wide;  
"God loved the world and sent Jesus,"  
Is what it says inside.
